- (3) picture Flip up spout. Open nozzle at end of sprayer.

Roundup Ready-To-Use is pre-mixed and pre-measured. It will kill almost all annual and perennial weeds, grasses and other unwanted plants. [5/19/97 Amendment] Ideal for tough to reach weeds found in flower beds and vegetable gardens. Use on driveways and walkways, or around fences, trees, flower beds, shrubs and other areas in your yard. Roundup kills weeds by stopping the production of a substance found only in plants. Any Roundup not absorbed by the plant breaks down into natural materials. Roundup will not move in or on the soil to untreated plants.

CONTROLS ALL WEEDS AND GRASSES INCLUDING:

Barnyardgrass, Bermudagrass, Thistle, Chickweed, Common Ragweed, Dandelion, Fescues, Johnsongrass, Clover and Yellow Nutgrass and many other annual and perennial grasses, weeds, sedges and brush.

Used by American Zoo and Aquarium Association member zoos to effectively control weeds.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

WHEN TO USE

Use anytime weeds and grasses are actively growing. Treated weeds usually show initial symptoms within [3/21/97 Notification - To match approved front label claims] 24 hours and complete kill in 1 to 2 weeks. Larger more established weeds may take up to 4 weeks for a complete kill. Roundup works best in warm sunny weather with daytime temperature above 60° F. Reapply if it rains within [5/19/97 Amendment] 6 2 hours after application. If hard-to-control weeds are not killed within 4 weeks, reapply.

HOW TO USE

To treat individual weeds adjust the nozzle to a coarse spray. Spray when air is calm. Position sprayer tip approximately 1-2 feet from weeds and apply until completely covered. IMPORTANT: Roundup is an all-purpose weed and grass killer which will kill almost all plants contacted. If necessary, use cardboard or plastic to shield desirable plants. If plants are accidentally sprayed, rinse off immediately with water. Do NOT use for spot weed control in lawns since Roundup kills all green plants, including lawn grass.

Sprayed areas can be replanted with ornamentals or flowers the day after treatment.

REUSE AND REFILL INSTRUCTIONS:

[3/21/97 Notification - Text for Fast & Easy Pressure Sprayer]
Refill ONLY with Roundup Concentrate and Super Concentrate Weed & Grass Killer. Do not use this bottle for other products.

[24 fl oz]

To refill: Add 2 1/2 Tablespoons of Roundup Concentrate Weed & Grass Killer or 4 teaspoons of Roundup Super Concentrate Weed & Grass Killer to this empty 24 fl oz bottle. Then add 24 fl oz (3 cups) clean tap water and use according to the label directions.

[For use with the 64 oz bottle]

To refill: Add 7 Tablespoons (3 1/2 fl oz) of Roundup Concentrate Weed & Grass Killer or 3 Tablespoons (1 1/2 fl oz) of Roundup Super Concentrate Weed & Grass Killer to this empty 64 fl oz bottle. Then add 64 fl oz (1/2 gal) clean tap water and use according to the label directions.

[For use with the 128 oz bottle]

To refill: Add 7/8 cup (7 fl oz) of Roundup Concentrate Weed & Grass Killer or 6 Tablespoons (3 fl oz) of Roundup Super Concentrate Weed & Grass Killer to this empty 128 fl oz bottle. Then add 128 fl oz (1 gal) clean tap water and use according to the label directions.

[3/21/97 Notification - Text for Fast & Easy Pressure Sprayer]

[For use with the 170 oz bottle]

For refilling: Remove the entire pumping mechanism. Prepare new product carefully following refill instructions. To refill: Add (9 fl oz) of Roundup Concentrate Weed & Grass Killer or 8 Tablespoons (4 fl oz) of Roundup Super Concentrate Weed & Grass Killer to this empty 5 L (170 fl oz) bottle. Then add 5 L (170 fl oz) clean tap water and use according to the label directions.

STORAGE AND DISPOSAL

[3/4/96 Notification - For RTU Nested Sprayer]

[Larger Containers] ~~IMPORTANT: After spraying, flip spout down to close. Rotate nozzle to closed position. No need to disconnect. Snap sprayer back into place.~~

STORAGE: Flip down spout to close. NO NEED TO DISCONNECT TRIGGER SPRAYER. Close nozzle on trigger sprayer. Snap sprayer back in place.

STORAGE:

[3/21/97 Notification - Text for Fast & Easy Pressure Sprayer] To store, make sure handle is all the way down. Slide lock to close. DO NOT DISCONNECT WAND FROM HANDLE. Snap wand back in place. Store this product in its original container, in a secure area. Protect container from freezing.

DISPOSAL: To dispose of partially used or empty container, securely wrap it in several layers of newspaper and discard in trash. In case of SPILL or LEAK, soak up with paper towels and discard in trash. Do not reuse container. [optional text for refill instructions]. Do not reuse empty container except for refill in accordance with refill instructions.

[text for 24 oz container size]

DO NOT REUSE SPRAY BOTTLE EXCEPT FOR REFILL IN ACCORDANCE WITH DIRECTIONS ON THE ROUNDUP® QUIK STIK GRASS & WEED KILLER LABEL. If NOT used for refill, rinse thoroughly before discarding in trash. [Refill language is optional]
