# QUICK CONNECT SPRAYER

1

Remove sprayer. Pull cord ALL THE WAY OUT.

2

Insert green plug into spout (on cap) until it clicks.

3

Flip up spout. Open nozzle at end of sprayer.

## Roundup Ready-To-Use Weed & Grass Killer

### Product Facts

Container Treats Over 1,000 Weeds

**KILLS WEEDS**

ALL TYPES OF WEEDS & GRASSES

**WHERE TO USE**

- On walkways & driveways
- In flower beds & vegetable gardens
- Around shrubs & trees
- Along fences

**Product Information**  
call 1-800-225-2883 or  
<http://www.roundup.com>  
**Medical Information**  
call 1-800-454-2333

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### HOW TO APPLY

- Adjust nozzle to a coarse spray. Spray the weeds or grasses you want to kill until thoroughly wet.
- When spot treating weeds in a flower or vegetable garden, shield desirable plants from drift with a sheet of cardboard or plastic. If desirable plant is accidentally sprayed, rinse off immediately with water.
- **IMPORTANT:** Do not spray plants or grasses you like - they may die too. Not recommended for spot weed control in lawns since Roundup kills lawn grasses.

### WHEN TO APPLY

- Apply when weeds are actively growing.
- For best results apply during warm sunny weather (above 60°F).
- Spray when air is calm to prevent drift to desirable plants.
- **RAIN-PROOF** - Rainfall 2 hours after application will not wash away effectiveness.
- Weeds usually begin to wilt within hours with complete kill in 1 to 2 weeks. Established weeds may require a repeat application.
- All ornamental flowers, trees & shrubs may be planted **1 day after** application.

### REFILL

To this empty container add 1 gallon of water then 7 fl oz of Roundup Concentrate or 3 fl oz (6 Tbs) of Roundup Super Concentrate.

### HOW IT WORKS

Roundup kills weeds by stopping the production of a substance found only in plants. It enters plants through foliage and moves systemically down to the roots. Any product not absorbed by plants breaks down into natural materials. Roundup will not move in or on the soil to untreated plants.

**STORAGE:** Flip down spout to close. **NO NEED TO DISCONNECT TRIGGER SPRAYER.** Close nozzle on trigger sprayer. Snap sprayer back in place. Store this product in its original container, in a secure area. Protect container from freezing. **DISPOSAL:** To dispose of partially used or empty container, securely wrap it in several layers of newspaper and discard in trash. In case of **SPILL** or **LEAK**, soak up with paper towels and discard in trash. Do not reuse empty container except for refill in accordance with refill instructions.

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

People and pets may re-enter treated areas after spray has dried.

**FIRST AID: IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists. In case of an emergency involving this product, call 1-800-454-2333.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Used by American Zoo and Aquarium Association  
Member Zoos to Effectively Control Weeds**

This product is protected by U.S. Patent No. 4,405,531. Other patents pending. No license granted under any non-U.S. patent(s).
