SOLARIS®

Made in USA

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE USING THIS PRODUCT. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

HOW TO APPLY

- Make sure ON/OFF valve is "OFF". Shake well.
- Connect spray nozzle to hose. Turn on the water at the tap.
- When ready to treat, point in direction away from face and body and pull the tab toward the hose-end connection. Turn the ON/OFF valve to "ON". The water mixes automatically with GreenSweep® at the proper ratio.
- Walk and spray at a steady pace. Marks on side of bottle indicate the number of square feet covered in 1,000's.

AMOUNT TO APPLY

Apply only the recommended amount for the area to be covered. Exceeding recommended rates may damage turf.

- **WARM SEASON LAWNS** – bahia, common Bermuda, centipede, zoysia and St. Augustine (EXCEPT Floratam): **1 quart covers 5,000 sq ft.**

NOTE: Some temporary injury may occur with these lawns. Do not use on Floratam, a variety of St. Augustinegrass widely grown in Florida, as damage may occur. In spring, do not apply until grass has reached full green-up. In fall, do not use when grass is going into dormancy. Some hybrid Bermuda grasses may be sensitive to this product.

- **COOL SEASON LAWNS** – bentgrass, bluegrass, fescue and ryegrass: **1 quart covers 3,300 sq ft.**

NOTE: When applying to bentgrass, grass height should be 1½" or more.

FOR BEST RESULTS

- If lawn needs watering, water thoroughly 24 hours before application.
- Do not cut grass 1 to 2 days after application.
- Do not water for 48 hours after application as watering will wash off weed killing material.
- Spray when air is calm to avoid spray drift that might injure desirable ornamental plants.
- Do not apply when temperatures exceed 85°F.
- Do not reseed, sod or plug lawns, or plant stolons for 3 to 4 weeks after use. Do not apply to newly seeded lawns until they have been mowed three times.
- Spray when weeds are actively growing.
- Weeds will begin to curl within a few days. Some hard-to-control weeds may require a repeat application in 3 to 4 weeks.

IMPORTANT

For grass lawns only. Do not spray Buffalograss, dichondra, lippia or desirable clovers. Do not use this product on flower or vegetable beds, or around shrubs, trees or ornamental plantings. The maximum number of broadcast applications per treatment site is 2 per year.

WEEDS CONTROLLED

Buckhorn, chickweed, clover, dandelion, ground ivy, henbit, knotweed, lambsquarters, oxalis, pigweed, plantain, poison ivy, ragweed, spurge and many other broadleaf weeds

STORAGE AND DISPOSAL

STORAGE: Store product in original container in a safe place. Protect container from freezing.

DISPOSAL: Do not reuse container (except for GREENSWEEP refill). Securely wrap partially filled or empty container in newspaper and discard in trash.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin or clothing. Wear long pants, long-sleeved shirt, socks, shoes and chemical resistant gloves when handling or applying this product. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment areas until spray has dried.

FIRST AID: IF SWALLOWED: Get medical attention. **IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists. **IF ON SKIN:** Wash with plenty of soap and water. If irritation develops, get medical attention. In case of emergency call 1-800-225-2883.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and non-target plants. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters nor pour the washwaters on the ground. Spray or drain over a large area away from wells, other water sources and desirable plants. Do not apply this product through any type of irrigation system. Do not contaminate water used for irrigation or domestic purposes. If spills occur, collect the material and dispose of by following disposal instructions on this label.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.
