Glyphosate, N-(phosphonomethyl)glycine,

in the form of its isopropylamine salt .....0.96%

Inert Ingredients .....99.04%

NET 1 gal (3.785L)

[back panel]

Roundup will kill almost all annual and perennial weeds, grasses and other unwanted plants. Roundup Fence & Yard Edger<sup>1</sup> has a built-in applicator that makes it easy to use for trimming and edging along driveways and walkways, or around fences, trees, flower beds, shrubs and other areas in your yard. Roundup kills weeds by stopping the production a substance found only in plants. Any Roundup not absorbed by the plant breaks down into natural materials. Roundup will not move in or on the soil to untreated plants.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

**WHERE TO USE**

Use as an edger along driveways, fences, cracks in sidewalks, and around ornamentals, trees and shrubs. Also use for larger areas such as brick and gravel walkways and patios. Roundup can be used over the root zone of desirable plants without injury.

**WHEN TO USE**

Use anytime weeds and grasses are actively growing. Treated weeds usually show symptoms within 24 hours with complete kill in 1-2 weeks. Larger, more established weeds may take up to 4 weeks for a complete kill. Roundup works best in warm sunny weather with daytime temperatures above 60°F. Reapply if it rains within 6 hours after application or if regrowth occurs.

**HOW TO APPLY**

- Remove top cap.
- Tighten the built-in sprinkler applicator.

To use as an edger:

- Turn jug upside down.
- Walk slowly holding jug 2 - 6 inches above the ground or weeds.
- Apply product to thoroughly cover unwanted vegetation.
- One gallon will cover a band 2 inches wide and 1200 feet long.

To control weeds in larger areas, such as brick or gravel walks and patios:

- Turn jug upside down.
- Hold jug about waist high to apply.
- Adjust the width of the spray pattern to cover weeds by raising or lowering the jug.

**IMPORTANT:** Roundup is an all-purpose weed and grass killer which will kill almost all plants contacted. If necessary, use cardboard or plastic to shield desirable plants. If plants are accidentally sprayed, rinse off immediately with water.

**STORAGE AND DISPOSAL**

**STORAGE:** Store this product in its original container, and in a secure storage area. Protect container from freezing.

**DISPOSAL:** To dispose of partially filled or empty product container, securely wrap it in several layers of newspaper and discard in trash. Do not reuse container.

**SPILL OR LEAK:** In case of spill or leak, soak up with paper towels and discard in trash.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Wash thoroughly with soap and water after handling.

[child\ pet icon] People and pets may re-enter treated areas when spray has dried.

In case of an emergency involving this product, call collect, day or night, (314) 694-4000.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water.
