EPA Reg. No. 239-2651

3. After further consideration we have determined that the claims listed below are either Bitrex related safety claims or claims that imply that this product is somehow safer than other metaldehyde products.

- a. Delete the claim "....An effective Bittering Agent."
- b. The Bitrex Logo can only include the phrase "Contains Bitrex." The other claims "...the bitterest stuff on earth" must be deleted.

c. Revise the statement "Can be used around Fruits and Vegetables / All around your home/ All areas in the garden" to read "Can be used around all areas of home garden/ around Fruits and Vegetables. Do not allow the pellets to contact the edible portion of any food or feed crop."

d. Delete the following claim "TREATS TWICE AS MANY SQ FT."

Please note: the claims crumble / meal / bait / granular formulation does not agree with the primary name of this product registration (BUG - GETA Snail Slug Pellets).

4. The Statement "NEW FORMULATION" must be deleted from the labeling after six (6) months of this of this product registration.

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

DHE

[ Back Panel]

Bug-Geta Snail & Slug Pellets, is a new crumble / meal / bait / granule formulation. This product is specially formulated to attract and control/ kill snails & slugs. The finely crushed crumble / meal / bait / granule is easy to use. Apply with Whirlybird® Multi-Purpose Spreader. Kills/ Controls snails & slugs protecting / preventing garden plants from damage. Specially formulated for residential use.

BUG-GETA Snail & Slug Pellets, is specially formulated to attract and control snails and slugs. The finely crushed crumble / meal / bait / granules are easy to use. 1 lb of BUG-GETA Snail & Slug Pellets, will bait 2,000 sq ft.

The presence of snails and slugs can be detected by their shiny mucous-like trail. They are night feeders and prefer damp, cool places in the ornamental garden, flower, under boards or flower pots and around fences, hedges, and bushes.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL  
PRECAUTIONARY STATEMENTS AND DIRECTIONS.

DIRECTIONS: Bait areas likely to be infested at the beginning of the spring planting season before damage occurs. Treatment every two weeks should give satisfactory control. During period of high rainfall or frequent waterings, it may be necessary to treat more often. Crumble / Meal / Bait / Granules may be applied using a Whirlybird Multi-Purpose Spreader.

Prior to spring planting, bait areas to prevent damage to transplants or seedlings. Repeat treatment every two weeks or as needed. During periods of high rainfall or frequent irrigations, repeat treatments maybe needed more frequently.

If ground is dry, water area to be treated thoroughly. Do not place product in piles. Scatter the crumble / meal / bait / granules around flowers, ornamental plants, and lawn areas. Apply one pound of meal to each 2,000 sq ft. Apply only to soil surface around plants. Do not apply to foliage or other plant parts. Always wear protective gloves.

Sprinkle lightly with water after application.

HOME LAWNS AND GROUNDCOVERS: Apply 1 lb per 2,000 sq ft by scattering directly from container or by using an ORTHO WHIRLYBIRD® Spreader at setting No. (to be determined).

HOME GREENHOUSES AND LATH HOUSES: Distribute crumble / meal / bait / granules on and beneath benches, but do not place in pots or flats unless plants are well established. Keep crumble/meal/bait/granules from coming in contact with plants.

If soil is dry, irrigate prior to or sprinkle lightly after distributing pellets.

FRUITS AND VEGETABLES: To control snails and slugs around the following fruits and vegetables, apply to the soil surface around the plants. Do not contaminate edible parts.

FRUITS-Apples, Avocados, Blackberries, Cherries, Citrus, Grapes, Peaches, Plums, Strawberries.

VEGETABLES-Asparagus, Beans, Beets, Cabbage, Carrots, Corn Cucumbers, Eggplant, Lettuce Melons, Onions, Peas, Peppers, Potatoes, Radishes, Spinach, Squash, Tomatoes and Turnips.

#### STORAGE AND DISPOSAL

STORAGE: Keep pesticide in original container. Store in a cool, dry place, preferably in a locked storage area.

DISPOSAL: Partially filled or empty carton may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash.

Do not reuse carton.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Wash with soap and water after handling.

[child/pet icon] Keep out of reach of children and domestic animals. IMPORTANT: KEEP CRUMBLE / MEAL / BAIT / GRANULES AWAY FROM CHILDREN, DOGS, AND PETS. BAIT MAY BE ATTRACTIVE TO DOGS. CONFINE PETS DURING APPLICATION TO PREVENT THEM FROM BELIEVING THEY ARE BEING FED. USE AND STORE UNDER CONDITIONS WHERE THERE WILL NOT BE A HAZARD.

FIRST AID: If swallowed - Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger, or if available by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting. If medical advice cannot be obtained, take person and product container to the nearest emergency treatment facility. If in eyes - Flush eyes with plenty of water. Call a doctor if irritation persists. If on skin - wash with plenty of soap and water. If inhaled, remove person from exposure area.

Note to Physicians: Emergency Information-call 1-800-454-2333. ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.
