Roundup Garden Foam Weed & Grass Killer- [8/13/96] Fast Acting Formula

Roundup Foam is formulated for spot-application to [8/13/96] treating of individual weeds. It will kill almost all annual and perennial weeds, grasses and other unwanted plants. Ideal for tough to reach weeds found in flower beds and vegetable gardens. Use to edge along driveways, walkways or fences, [8/13/96] in gravel or mulch, around trees and shrubs and other areas in your yard. Roundup kills weeds by stopping the production of a substance found only in plants. Any Roundup not absorbed by the plant breaks down into natural materials. Roundup will not move in or on the soil to untreated plants.

Roundup Foam produces a "no-drift" [8/13/96] "non-drift" visible stream that foams on contact and lasts for a few minutes allowing you to easily see the treated weeds. Visible effects usually occur within hours and complete kill in 1 to 2 weeks.

The spot weeder produces a "foamy" white lather for direct weed contact which avoids drift and marks weeds as treated. The weed killer moves systemically through all parts of the plant.

Used by American Zoo and Aquarium Association member zoos to effectively control weeds. Recommended to zoos everywhere by the American Zoo and Aquarium Association for the control of weeds.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

Kills Annual Weeds and Grasses

- |                      |                 |                |

\* Annual or Perennial

Kills most annual weeds and grasses and tough to control perennial weeds

←For specific weeds controlled by this product call 1-800-225-2883.

Gives Complete Kill of Tough Annual and Perennial Grasses and Broadleaf Weeds in Lawns, Flower Beds, Around Trees and Shrubs, in Walks, Driveways, in Gravel or Bark Mulch.

**DIRECTIONS**

[Directions for inverted can]

Spray when the air is calm. Shake can just before [8/13/96] using and occasionally during use. Invert can, hold at arm's length and point can at weed [8/13/96] as you press button. Do not press button when can is in upright position. Stand close to weed (1 to 2 feet) with can aimed at weed and away from face. Push down briefly on button. Spray to cover center of weed. Do not overspray. The "no-drift" spray foams on contact marking treated weeds. One application will kill most weeds. If certain tough weeds are not killed within 4 weeks, reapply.

[8/13/96] [or]

- E Spray when air is calm.
- E Shake can before and during use.
- E Turn can upside down to use. Hold at arm's length and point can at weed.
- E Position nozzle within 1 to 2 feet of target weed.
- E Press spray button briefly, covering weed with Roundup Foam. (Do not press button with can in upright position.)
- E The "non-drift" spray foams on contact marking treated weeds. If desirable plants are accidentally sprayed, rinse off immediately with water.
- E One application kills most weeds.

[Alternative Directions for an upright can]

Spray when the air is calm. Shake can just before using and occasionally during use. Tear off tab. Hold can at arm's length while standing close to weed (1 to 2 feet). Aim can at weed and away from face. Squeeze the trigger, spraying to cover center of weed. The "no-drift" stream foams on contact marking treated weeds. One application will kill most weeds. Reapply, if it rains within 6 hours after application. If tough weeds are not killed within 4 weeks, reapply.

**IMPORTANT:** Roundup is an all purpose weed and grass killer which will kill almost all plants contacted. If necessary, use cardboard or plastic to shield desirable plants. If spray accidentally contacts desirable foliage, wash off immediately with water.

Treated lawn areas can be reseeded in 7 days. Ornamentals can be replanted the next day.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a secure, preferably locked storage area away from heat or open flame. [steel icon]  
**DISPOSAL:** Unused product may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER --** Replace cap and discard in trash. Do not incinerate or puncture.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions. Federal regulations prohibit CFC propellants in aerosols

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

[3/19/97] ~~Person / Pet~~ REENTRY [icon] Keep children and pets away from treated area until spray has dried.

FIRST AID: IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists. In case of an emergency involving this product, call [3/19/97] collect, day or night, (314) 694-4000, 1-800-454-2333.

ENVIRONMENTAL HAZARDS: Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Keep away from fire, sparks, and heated surfaces. Exposure to temperatures above 130° F may cause bursting.

This product is protected by U.S. Patent No. 4,405,531. Other patents pending. No license granted under any non-U.S. patent(s).
