ORTHO GroundClear Total Vegetation Killer

EPA Reg. No. 239-2657

DO NOT use on lawns, on or around fruits, vegetables, flowers, shrubs, trees, or over the root zone of shrubs or trees.

Specially formulated for residential use.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Where to Use

- ◆ Apply only where no vegetation growth is wanted for up to 1 year.
- ◆ Use on driveways, parking areas, brick walks, gravel pathways, patios, along fences, curbs and cracks in sidewalks.
- ◆ To kill weeds in areas where you want other plants to grow, use Roundup or GroundClear Super Edger Plus products. Always follow label directions for these products.

When to Use

- ◆ Apply to bare ground or when weeds are actively growing. If weeds are taller than 6 inches, mow or cut down weeds and remove debris before treatment.
- ◆ For best results apply on a sunny day with temperatures above 60° F.
- ◆ To prevent the growth of weeds under asphalt driveways, tennis courts, play areas and parking areas, apply before laying surfacing materials.
- ◆ Apply only to areas where no vegetation growth is wanted for up to 1 year. In areas of heavy rainfall, retreatment every 6 to 8 months may be necessary to maintain a weed free area.
- ◆ If the area is not uniformly treated, there may be some weeds that will grow in the treated area. These weeds can easily be spot treated with Roundup products.

How to Apply

- Measure area to be treated. Calculate square feet by multiplying length times width. (walking man icon).

[Sprinkling Can Application Directions]

- [1 qt size] Pour entire contents (1 qt) into sprinkling can. Add 1 gal of water.
- [1, 1½ & 2 gal size] Pour 1 qt into sprinkling can. Add 1 gal of water.
- Apply evenly over 75 sq ft .
- Allow to soak into ground, avoiding runoff to nearby desirable plants.

[Ortho Lawn and Garden Sprayer Application Directions]

Amount to Use

Applicator	Product And Water To Measure	Area to Treat

**ORTHO GroundClear Total Vegetation Killer
EPA Reg. No. 239-2657**

Ortho Lawn and Garden Sprayer – 1 gallon size	Add 3 cups (24 fl oz) of product to 3 qts of water	50 sq ft
Ortho Lawn and Garden Sprayer – 2 gallon size	Add 1 qt (32 fl oz) of product to 1 gallon of water	75 sq ft
Ortho Lawn and Garden Sprayer – 3 gallon size	Add 2 qts (64 fl oz) of product to 2 gallons of water	150 sq ft

◆ Allow to soak into ground, avoiding runoff to nearby desirable plants.

IMPORTANT:

Use only where no plant growth is wanted for at least a year, such as: on driveways, parking areas, brick walks, gravel paths, patios; along fences and curbs; and cracks in sidewalks. In heavy clay soil, plant growth may be prevented for more than one year. In areas of heavy rainfall, applications every 6 to 8 months may be necessary.

Picture of tree:

To avoid damage to desirable plants do not apply over their root systems. For shrubs and trees do not apply closer than twice the distance from the trunk to the drip line (the area shaded in color) as roots may be within this area.

Picture of Slope:

Do not apply to slopes (areas shaded in color) as movement on soil surface may damage desirable plants down the slope.

Picture of Fence:

Do not apply next to a fence if desirable plants are growing on the other side or if future planting is intended.

Do not use before planting lawns, fruits, vegetables, flowers, or other plants because GroundClear™ Total Vegetation Killer remains active in soil for up to one year. In heavy clay soil, weed control may exceed one year.

STORAGE AND DISPOSAL

STORAGE: Store product in original container in a safe place. Protect from freezing.
DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

4/5
