NOTIFICATION
MAY 22 2003

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

The ORTHO Group is submitting a notification of "addition of marketing claims" per PR Notice 98-10. This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

**Subject: Notification of additional claims in accordance with PR Notice 98-10
ORTHO Weed-B-Gon Lawn Weed Killer³, EPA Reg. No. 239-2665 and
Weed-B-Gon Ready-Spray Isomer Formula, EPA Reg. No. 239-2666**

Dear Joanne Miller:

The ORTHO Group is submitting into application additional marketing claims for the subject products. I have highlighted the changes on each of the enclosed final printed labels. Please find enclosed the following:

- 1) Application Form 8570-1 for each of the product registrations.
- 2) One (1) copy of the final printed label for each of the product registrations.

Please call me at 937-644-7696, if you have any questions regarding this submission. Thank you in advance for your cooperation.

Sincerely,

The Scotts Company
Charles T. Levey
Manager, Federal Registrations

corn spurry, swinecress, bull thistle, Canada thistle, Flodman thistle, cotton thistle, distaff thistle, Drummonds thistle, elk thistle, gray thistle, Italian thistle, leafy thistle, meadow thistle, milk thistle, Platte thistle, plumeless thistle, Russian thistle, Scotch thistle, slenderflower thistle, tall thistle, wavyleaf thistle, yellowspine thistle, stiff verbena, campipoda Veronica, common vetch, hairy vetch, winter vetch, wooley vetch, violet, field violet, wild carrot, wild lettuce, woodsorrel, creeping woodsorrel, yellow woodsorrel, Florida yellow woodsorrel, wooleyleaf bursage, common yarrow, western yarrow, yellow yarrow.

STORAGE & DISPOSAL

STORAGE: Store in original container in a locked storage area inaccessible to children or pets. Keep from freezing.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wear face shield or goggles when mixing, loading or applying this product. When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves. **Personal Hygiene Statements:** After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

Do not allow people (other than applicator) or pets on treatment area during application. People and pets may enter treated area after spray has dried.

ORTHO WEED-B-GON.
KILLS WEEDS, NOT LAWNS

OPEN
Resealable Label
for Directions &
Precautions

Won't Harm Lawns – Guaranteed! Contains the special Ortho LawnGuard™ formula. How it works – Weed-B-Gon LawnGuard formula specifically targets weeds, killing them while leaving the grass unharmed – guaranteed. It's Rain-Proof™ Brand. Rain two hours after spraying won't wash away the weed killing power!

PRODUCT FACTS

Treats up to 12,800 sq ft (approximate size of 6 tennis courts)

KILLS WEEDS Dandelion, Clover, Chickweed plus over 200 additional broadleaf lawn weeds*

WHERE TO USE ON LAWNS without harming lawn grasses

AMOUNT TO USE Bentgrass, buffalograss, centipedegrass & St. Augustinegrass (DO NOT USE on floratam):
1 fl oz (2 Tbs) / gal of water / 400 sq ft
Bahagrass, Bermudagrass, fescues, Kentucky bluegrass, perennial ryegrass & zoysiagrass:
2 fl oz (4 Tbs) / gal of water / 400 sq ft

Questions, Comments or Medical Information?
Call 1-800-225-2883 www.ortho.com

For weeds outside the lawn (on driveways, sidewalks, etc.) – use Ortho GroundClear® Complete Vegetation Killer. It kills weeds and grasses and prevents new growth for up to 1 year.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

MIXING INSTRUCTIONS

1 Tablespoon (1 Tbs) = 3 teaspoons (tsp)
1 fl oz = 2 Tbs

FOR SENSITIVE LAWNS: Bentgrass, buffalograss, centipede grass & St. Augustine grass (DO NOT USE on floritam*)

Amount to Use: 1 fl oz (2 Tbs) per gallon of water for each 400 sq ft.
When using Ortho® Dial 'N Spray®: Set dial to 1 oz. Add 2 1/2 fl oz (5 Tbs) to sprayer jar. **DO NOT ADD WATER.** Spray evenly over 1,000 sq ft until jar is empty.
* Floritam is a variety of St. Augustine grass widely grown in Florida.

FOR HARDY LAWNS: Bahiagrass, Bermudagrass, fescues, Kentucky bluegrass, perennial ryegrass & zoysiagrass

Amount to Use: 2 fl oz (4 Tbs) per gallon of water for each 400 sq ft.
When using Ortho® Dial 'N Spray®: Set dial to 2 oz. Add 5 fl oz (10 Tbs) to sprayer jar. **DO NOT ADD WATER.** Spray evenly over 1,000 sq ft until jar is empty.

REFILL DIRECTIONS

To refill only an empty 1.33 Gallon Weed-B-Gon Ready-to-Use Pull 'N Spray® Bottle
Amount to Use: Add 7 fl oz of this product to the empty 1.33 gallon container. Slowly fill with 160 fl oz of clean tap water.
Specially formulated for residential use.

FOR BEST RESULTS

MEASURE

• To treat entire lawn (broadcast application): Use a tank or hose-end sprayer. Measure lawn. Calculate square feet by multiplying length times width. Spray evenly over measured area.
• To spot treat individual weeds in lawns: Use a tank sprayer.

MOW

Do not mow for 1 to 2 days before or after application.

WATER

• If soil is dry, water 1 to 2 days before application.
• Rain or watering 2 hours after application will not wash away effectiveness.

WHEN TO APPLY

• **Spray when:**
– weeds are small and actively growing
– temperature is below 90°F
– air is calm to avoid spray drift onto landscape plants as contact with foliage may injure flowers, shrubs, trees and other desirable plants
• Reapplication can be made in 2 to 3 weeks if necessary.
• Newly seeded lawn can be sprayed after first mowing.
• Bare spots can be planted with grass seed 1 week after application.

IMPORTANT

If an ornamental shrub or tree is in the lawn, keep spray off foliage and exposed roots. St. Augustine grass, centipede grass or Bermudagrass lawns may have delayed green-up if this product is used when lawns are emerging from dormancy or when temperature drops below 45°F within 72 hours of application.

Do not spray carpet grass, dichondra or desirable clovers. Do not use on floritam, a variety of St. Augustine grass. Do not use on or around fruits, vegetables or flowers. The maximum number of broadcast applications per treatment site is 2 per year. Do not exceed specified dosages for any area.

HOW IT WORKS

Because broadleaf weeds and grasses grow differently, Weed-B-Gon® kills broadleaf weeds without harming lawns. Weed-B-Gon singles out weeds, enters through leaves and moves inside the weed to the roots.

WEEDS CONTROLLED

White heath aster, bushy aster, heath aster, purple aster, white prairie aster, catchweed bedstraw, marsh bedstraw, northern bedstraw, hairy beggarticks, creeping beggarweed, threeflower beggarweed, Florida bellflower, Florida betony, field bindweed, hairy bittercress, whitehead broom, burclover, common burdock, great burdock, lawn burweed, smallflower buttercup, hairy buttercup, bushy buttonweed, Virginia buttonweed, black medic, Carolina geranium, carpetweed, wild carrot, cat's-ear, smooth chaff-flower, chicory, common chickweed, mouse-eared chickweed, sticky chickweed, chicory, common cinquefoil, oldfield cinquefoil, Alyce-clover, crimson clover, hop clover, white clover, wandering cudweed, purple cudweed, narrowleaf cudweed, shiny cudweed, cupids shaving brush, English daisy, oxeye daisy, common dandelion, false dandelion, catsear dandelion, dayflowers, purple deadnettle, dichondra, dogfennel, dove weed, broadleaf dock, curly dock, dollarweed, dove weed, heartleaf drymary, eclipta, facelis, oakleaf fleabane, rough fleabane, wild garlic, Carolina geranium, clammy ground cherry, smooth ground cherry, ground ivy, groundsel, yellow hawkweed, healall, henbit, sprawling horseweed, innocense (blue eyed Mary), knawel, prostrate knotweed, tufted knotweed, Kochia, lambsquarters, lespedeza, field madder, alkali mallow, Venice mallow, common mallow, little mallow, dwarf mallow, bristly mallow, marcela (yellow joyweed), marestail, horseweed, mat lippia, milkweed, moneywort, mugwort, common mullein, moth mullein, Mexican morningglory, bigroot morningglory, ivyleaf morningglory, tall morningglory, red morningglory, ball mustard, black mustard, blue mustard, Indian mustard, tumble mustard, wild mustard, tansy mustard, white mustard, wormseed mustard, bitter nightshade, eastern black nightshade, silverleaf nightshade, cutleaf nightshade, hairy nightshade, wild onion, old world diamond flower, birdseye pearlwort, Florida pellitory, pennywort, Asiatic pennywort, peppergrass, Virginia pepperweed, prostrate pigweed, redroot pigweed, smooth pigweed, tumble pigweed, pineappleweed, broadleaf plantain, buckhorn plantain, blackseeded plantain, poison ivy, poison oak, cutleaf evening primrose, showy evening primrose, purple cudweed, purslane, Brazil pusley, largeflower pusley, Florida pusley, giant ragweed, common ragweed, western ragweed, lanceleaf ragweed, redweed, yellow rocket, field sandbur, longspine sandbur, Mexican or Texas sandbur, southern sandbur, sibara, red sorrel, sheep sorrel, shepardspurge, Pennsylvania smartweed, swamp smartweed, ladythumb smartweed, pale smartweed, bitter sneezeweed, bilobed speedwell, common speedwell, corn speedwell, ivyleaf speedwell, Persian speedwell, purslane speedwell, slender speedwell, snow speedwell, thymeleaf speedwell, winter speedwell, common spiderwort, spotted spurge, prostrate spurge,

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Note to Physician: Emergency information call 1-800-225-2883

ENVIRONMENTAL HAZARDS:

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants.

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from target area. When cleaning equipment, do not pour the washwater on the ground; spray or drain over a large area away from wells and other water sources. Most cases of groundwater contamination involving phenoxy herbicides such as 2,4-D and MCP-p have been associated with mixing/loading and disposal sites.

Caution should be exercised when handling 2,4-D and MCP-p pesticides at such sites to prevent contamination of groundwater supplies.

Use of closed systems for mixing or transferring this pesticide will reduce the probability of spills.

Placement of the mixing/loading equipment on an impervious pad to contain spills will help prevent groundwater contamination.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

The ORTHO Guarantee

If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.
