### HOW IT WORKS

Unique mode-of-action. Acts like/ Mimics a substance found only in [molting] insects.

Kills grubs that damage your lawn. Starts working in hours, killing all grubs in 2 to 7 days. Easy to use granules help keep your lawn green and healthy [by controlling grubs all season long].

Kills grubs that damage your lawn without harming earthworms. Grass roots [can] absorb Grub-B-Gon so effectiveness won't wash away with rain or frequent watering. Grubs stop feeding in hours and die within 7 days. Grubs are controlled all season long, so your lawn stays green and healthy.

<b>PRODUCT FACTS</b>	
Treats 5,500 sq ft (approx. size of 2½ tennis courts)	
<b>KILLS BUGS/ INSECTS/PESTS</b>	[illustration] White Grubs*, Armyworms, Cutworms and Sod Webworms
<b>WHERE TO USE</b>	[illustration] ON LAWNS
<b>AMOUNT TO USE</b>	[illustration] 2 ¼ lbs (X cups) per 1,000 sq ft [1 lb active ingredient per acre]
[phone icon]	Questions, Comments or Medical Information call 1-800-225-2883 <a href="http://www.ortho.com">http://www.ortho.com</a>

\* White Grubs including larvae of European Chafer, Northern and Southern Masked Chafer(s), Japanese Beetle, Oriental Beetle, Asiatic Garden Beetle, May/June Beetle, Black Turfgrass Ataenius, Green June Beetle, Annual Bluegrass Weevil/Hyperodes, Billbugs and Aphodius Beetle

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

*[In the text below, "grubs" may be replaced with "grubs and caterpillars", "pests" or "insects". Additionally "and" may be replaced with "&".]*

**[FOR BEST RESULTS]****HOW TO APPLY** *[optional icon]*

- Measure lawn. Calculate square feet by multiplying length times width. *[Walking man icon]*
- Apply evenly over measured area, treating entire lawn to ensure complete grub protection/control.

or

- Measure your lawn to calculate its square feet (LXW) *[icon]*
- Apply evenly over measured area.
- Be sure to treat the entire lawn to ensure complete grub protection/control.

**WHEN TO MOW & WATER/HOW TO PREPARE LAWNS** *[optional icon]*

- Grub-B-Gon begins to work as soon as granules contact the soil.
- Mowing your lawn before application helps granules reach the soil.
- Watering after application [, although not necessary,] quickly moves granules to the soil.

or

- To work, granules must reach the soil [where grubs feed.]
- Mowing your lawn before application helps the granules reach the soil faster.
- Watering after application, although not necessary, also speeds the granules contact with the soil and starts killing grubs sooner.

**WHEN TO APPLY** *[optional icon]*

- Apply anytime between spring and fall [when grubs are present and actively feeding near the soil surface].
- A single application provides season- long grub [killing and] protection/control.

Important: Do not use on or around fruits or vegetables.

**[SUGGESTED SPREADER SETTINGS - INSERT SPREADER CHART HEADINGS HERE]**

**STORAGE AND DISPOSAL** *[optional icon]*

**STORAGE:** Store in original bag / container in a safe place.

**DISPOSAL:** Do not reuse bag / container. Securely wrap partially filled or empty bag / container in newspaper and put in trash.

**PRECAUTIONARY STATEMENTS [optional icon]  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** May cause eye irritation. Harmful if absorbed through skin, inhaled or swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wear shirt and pants, gloves, and shoes plus socks. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if product gets inside clothing. Then wash thoroughly and put on clean clothing

[Reentry icon] People and pets may enter treated area anytime after application.

**FIRST AID:** IF SWALLOWED: Call a physician or poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious do not give anything by mouth and do not induce vomiting. IF ON SKIN: Wash with plenty of soap and water. Get medical attention. IF IN EYES: Flush eyes with plenty of water. Consult a physician if irritation persists. IF INHALED: Move victim to fresh air.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to any body of water. Do not put product or rinse water down any drain.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.
