### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL

[FOR BEST RESULTS]

**HOW TO SPRAY/APPLY** *[optional icon/illustration]*

- Adjust spray nozzle to deliver a fine spray.
- Hold sprayer 12 inches from plant. Spray to uniformly cover upper and/& lower leaf surfaces, stems and/& branches. When treating potted plants lightly spray the soil surface.

**WHEN TO APPLY** *[optional icon/illustration]*

- Spray when air is calm to avoid drift.
- Apply as necessary, waiting 7-14 days between [each application] applications. Hard to control/kill pests/insects may require 2 to 3 applications.
- If temperature is expected to exceed 85° F spray in early morning or late afternoon when it is cooler [and dew has evaporated.].

**PESTS/INSECTS/BUGS [CONTROLLED/KILLED]** *[optional icon]*

CI1052704

**PRECAUTIONARY STATEMENTS** [optional icon]

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:**

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue

irritating eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Note to Physician:** Emergency Information call 1-800-225-2883

**ENVIRONMENTAL HAZARDS:**

This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Drift and run-off from treated areas may be hazardous to aquatic organisms in neighboring areas. Care should be used when spraying to avoid fish and reptile pets in/around ornamental ponds. This product is highly toxic to bees exposed to direct treatment or residues on blooming plants. Do not apply this product or allow it to drift to blooming plants if bees are visiting the treatment area.

**NOTICE:** Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.
