UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

OFFICE OF  
PREVENTION, PESTICIDES  
AND TOXIC SUBSTANCES

JUN 15 2004

Mr. Charles T. Levey  
The Scotts Company d/b/a The Ortho Group  
14111 Scottslawn Rd.  
Marysville, OH 43041

Dear Mr. Levey:

Subject: Amendment - Revise per PR Notices 2001-1 and 2001-6  
ORTHO Roach, Ant and Spider Killer  
EPA Registration Number 239-2679  
Your submission dated May 25, 2004

The amendment referred to above, submitted in connection with registration under with registration under FIFRA section 3(c)(7)(a), is acceptable and a stamped copy of the label is enclosed for your records. When preparing the finished label, since this product contains petroleum distillates, in the If Swallowed advice of the First Aid section, replace "Have person sip a glass if water is able to swallow." with "Do not give any liquid to the person."

Sincerely,

George LaRocca.  
Product Manager 13  
Insecticide Branch  
Registration Division (7505C)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL**

**PRODUCT FACTS**

**KILLS INSECTS**

ants, boxelder bug, brown dog ticks, carpet beetles, centipedes, cigarette beetles, cockroaches, confused flour beetles, crickets, earwigs, fleas, indian meal moths, rice weevils, sawtoothed grain beetles, scorpions, silverfish, sowbugs, and spiders (including black widow spiders).

**WHERE TO USE**

To kill ants, black widow spiders, carpet beetles, centipedes, cigarette beetles, cockroaches, confused flour beetles, crickets, Indian meal moths, rice weevils, sawtoothed grain beetles,

scorpions, silverfish, sowbugs and spiders: spray areas where these insects are found or may hide, including:

dark corners of rooms and closets  
 cracks and crevices in walls  
 along baseboards and door and window frames  
 behind and beneath sinks, stoves, refrigerators and cabinets  
 around garbage cans, plumbing and other utility installations.  
 ant trails and around doors and windows.

Wherever these pests enter home

To kill black carpet beetles, spray

Along baseboards and edges of carpeting, under carpeting, rugs and furniture, and wherever these insects are seen or suspected of hiding.

**To kill brown dog ticks and fleas:**

Spot treat:

Pet beds and resting quarters

Nearby cracks and crevices

Along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present.

Remove old pet bedding and replace with clean fresh bedding after treatment.

Do not spray pets with this product.

Treat pets with a registered flea and tick control product before returning pet to treated areas.

**For crack and crevice treatment** of ants, black widow spiders, brown dog ticks, carpet beetles, cockroaches, crickets, fleas, scorpions, silverfish, sowbugs and spiders:

Apply in small amounts directly into cracks and crevices. Equipment capable of delivering a pin stream should be used in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where these insects hide.

**Flies and mosquitoes:** use only outdoors to control these pests. Spray: outside surfaces of window and door frames and other areas where these pests may enter the home.

**Spray dark corners and localized resting areas (such as under eaves) or porches, patios and garages where these insects may be found.** Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat when needed.

Spray directly on insects when seen.

Do not spray on plants.

Do not treat pets with this product.

#### **HOW TO USE**

Point nozzle toward surface to be sprayed and press button. Spray areas until wet.

#### **TO SPRAY FOOD STORAGE AREAS:**

Remove all food and shelving paper before spraying.

Discard infested food packages.

Spray shelves and in cupboards where infested food containers were stored.

Replace food packages after spray has dried. Replace shelving paper.

Do not spray up into air.

#### **STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry place. Keep container tightly closed.

**DISPOSAL:** Do not Puncture or Incinerate! If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency, or 1-800-CLEANUP for disposal instructions.

#### **PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

All food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds, and cover fish aquariums before spraying.

[Re-entry icon] Keep children and pets out of treated area until spray has dried.

**FIRST AID:**

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.  
If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

Note to Physicians: Emergency Information call 1-800-225-2883. This product contains a light petroleum solvent and may present an aspiration problem.

**ENVIRONMENTAL HAZARDS:**

Do not contaminate water when disposing of equipment washwaters.

**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of shock hazard.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions. Federal regulations prohibit CFC propellants in aerosols.
