PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS****CAUTION**

Causes moderate eye irritation Avoid contact with eyes or clothing Wash thoroughly with soap and water after handling and before eating drinking chewing gum or using tobacco When using this product wear long sleeved shirt long pants socks shoes rubber gloves and protective eyewear

FIRST AID

If in eyes Hold eye open and rinse slowly and gently with water for 15 20 minutes Remove contact lenses if present after the first 5 minutes then continue rinsing

Call a poison control center or doctor for treatment advice Have the product container or label with you when calling a poison control center or doctor or going for treatment [Medical Information Call 1 800 225 2883]

ENVIRONMENTAL HAZARDS This pesticide is toxic to fish and aquatic invertebrates Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas This product may adversely affect nontarget plants

To protect the environment do not apply directly to or allow pesticide to enter or run off into storm drains drainage ditches gutters or surface waters Do not apply within 25 feet of rivers fish ponds lakes streams reservoirs marshes estuaries bays or oceans Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticides off the treatment area Rinse applicator over lawn or garden area only

This product has properties and characteristics associated with chemicals detected in groundwater The use of this chemical in areas where soils are permeable particularly where the water table is shallow may result in groundwater contamination Application around a cistern or well may result in contamination of drinking water or groundwater

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Restrictions/[IMPORTANT]

Keep people and pets out of the area during application

Spray only the weed not the entire lawn This product is for spot treatment only

Do not apply this product in a way that will contact any person or pet either directly or through drift

Do not allow people or pets to enter the treated area until sprays have dried

Do not use this product for controlling weeds in vegetable gardens flower beds or around shrubs or ornamental plants

Do not use on or around fruits vegetables or flowers

Bold italicized text is information for the reader and is not part of the label
 [Bracketed information is optional text] Text separated by / denotes and/or options
Underline text is new ~~Strike-through text is being deleted~~

Do not use this product on or near desirable plants including within the dripline of roots of desirable trees and shrubs as injury may result

Do not use clippings as mulch or compost

Do not apply as a fine mist because of potential injury to desirable plants

[WHERE TO USE]

[On Lawns – Bermudagrass* Buffalograss Fescue Kentucky bluegrass Perennial Ryegrass and Zoysiagrass without harming lawn grasses]

[*Temporary discoloration may occur on Bermudagrass]

[Weeds begin to wilt and die within 24 hours Weeds die completely within 14 – 28 days after application Won t harm lawn grasses]

WHEN TO APPLY [icon]

- Spray when [any time] weeds are actively growing
- For Best Results Spray when daytime temperatures are above 45 F and below 90 F
- Rain or watering 1 hour after application will not wash away effectiveness
- For Best Results – If turf is drought stressed water lawn and spray weeds 3 days later when the weeds are not drought stressed
- Bare spots in lawns can be reseeded 4 weeks after application

Directions For Use Options Based On Applicator

Option 1 – Conventional Trigger Sprayer

[[Applicator Name] [Applicator/Sprayer] Directions]

HOW TO APPLY/USE [icon]

- Turn sprayer nozzle to open
- Adjust sprayer nozzle as desired [set sprayer to a coarse spray]
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

Optional How To Apply When Using Marker

- Turn sprayer nozzle to desired position – FOAM or STREAM
- FOAM marks treated weeds allowing you to easily see where you ve sprayed
- STREAM provides a coarse spray that does not foam [Both settings provide the same weed control results]
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

STORAGE & DISPOSAL

PESTICIDE STORAGE [Small] [Applicator Name] Rotate nozzle to closed position –OR– Turn sprayer nozzle to OFF [X] Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

PESTICIDE STORAGE [Large] [Applicator Name] Place trigger sprayer under handle on container to keep sprayer above the level of contents Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

Option 2 – Quick Connect Sprayer

[[Applicator Name] [Applicator/Sprayer] Directions]

[Quick Connect Sprayer] [1 Pull sprayer from bottle 2 Pull [color] hose connector and coil from sprayer handle 3 Insert hose connector into [color] spout on cap [until it clicks] into place] [4] [Flip up spout] Turn sprayer nozzle to open and [pull trigger to] spray

or

[Quick Connect Sprayer] [1 Remove sprayer Pull cord ALL THE WAY OUT 2 Insert red plug into spout [on cap] [until it clicks]] [3] [Flip up spout] Open nozzle at end of sprayer [and pull trigger to spray]

HOW TO APPLY/USE [icon]

- Turn sprayer nozzle to open
- Adjust spray nozzle [as desired] [to give a coarse spray]
- [Aim at center of weed and spray to lightly cover]
- [To avoid spray drift hold spray nozzle 2 feet or less from targeted weed]

Optional How To Apply When Using Marker

- Turn sprayer nozzle to desired position – FOAM or STREAM
- FOAM marks treated weeds allowing you to easily see where you've sprayed
- STREAM provides a coarse spray that does not foam [Both settings provide the same weed control results]
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

STORAGE & DISPOSAL

PESTICIDE STORAGE [Applicator Name] Flip down spout to close No need to disconnect trigger sprayer Close nozzle on trigger sprayer [Turn sprayer nozzle to OFF [X]] Snap sprayer back in place Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

Option 3 – Pull N Spray II

[[Applicator Name] [Applicator/Sprayer] Directions]

[Illustration #1]

- [Remove sprayer from side carrier and unwrap hose completely]
- [Insert [color of plug] plug at end of hose into [color of spout] spout on cap [until it clicks]]
- [Flip up spout] Spout must remain up while spraying]]

[Illustration #2]

- Twist nozzle at end of sprayer to desired spray pattern

[Illustration #3]

- Point sprayer away from body
- Grasp sprayer by the handle
- Slowly pull ring at bottom of sprayer handle until it stops and hold for two (2) seconds to ready the sprayer

[Illustration #4]

- Press and hold button on sprayer to begin spraying
- Pull ring at sprayer bottom again as needed to continue spraying

HOW TO APPLY/USE [icon]

- Follow illustrations and instructions above
- Twist nozzle at end of sprayer to desired spray pattern
- Point sprayer away from body and press sprayer button to begin spraying
- Pull ring at sprayer bottom again as needed to continue spraying
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

Optional How To Apply When Using Marker

- Follow illustrations and instructions above
- Turn sprayer nozzle to desired position – FOAM or STREAM
- FOAM marks treated weeds allowing you to easily see where you've sprayed
- STREAM provides a coarse spray that does not foam
- [Both settings provide the same weed control results]
- Point sprayer away from body and press sprayer button to begin spraying
- Pull ring at sprayer bottom again as needed to continue spraying
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

Optional Refill [and Reuse] Directions

[The Pull N Spray II/Applicator Name [applicator/wand] may be reused with the available Lawn Crabgrass and Weed Killer/Product Name refill bottle/container Read and follow instructions in Reuse Directions to reuse the applicator]

Refill [and Reuse] Directions

How to attach the [Pull N Spray II/Applicator Name] [applicator/wand] to Lawn Crabgrass and Weed Killer/Product name [refill bottle]

Removing [Pull N Spray II/Applicator Name] [applicator] from original bottle

	Remove the [applicator name] [applicator] by pulling the [color of plug] [red] plug from the [color of spout] [red] spout on cap [Illustration]
	[At the bottom of the side [clip] [carrier] [holder] press the middle tab up and slide the [clip] [carrier] [holder] upwards to remove it from the bottle] [Illustration]

Adding [Pull N Spray II/Applicator Name] [applicator] to Lawn Crabgrass and Weed Killer/Product Name

	[Slide the side [clip] [carrier] [holder] downward on the knob located [at right hand] [on the] side of the refill container] [Illustration]
	Insert [color of plug] [red] plug at end of hose into [color of spout] [red] spout on cap [until it clicks] [Illustration]

STORAGE & DISPOSAL

PESTICIDE STORAGE [Pull N Spray II/Applicator Name] [Applicator] Completely discharge/dispense product in sprayer prior to storage Flip down [color of spout] spout on cap DO NOT DISCONNECT SPRAYER HOSE FROM CAP Place sprayer back inside carrier on bottle with the nozzle facing down Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Pull N Spray II/Applicator Name can be reused with Lawn Crabgrass and Weed Killer/Product Name refill bottle/container Follow instructions in the Reuse Directions when reusing [applicator name] Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

Option 4 – Battery Powered Wand/Comfort Wand

[[Applicator Name] [Applicator/Wand] Directions]

[[1 Remove] Remove [applicator name] Wand from side [holder/clip] [Illustration #1&2]

- Unwrap hose completely
- Remove protective strip from battery compartment to activate batteries]

Bold italicized text is information for reader and is not part of the label
 [Bracketed information is optional text] Text separated by / denotes and/or options
 Underline text is new ~~Strike-through text is being deleted~~

[[2 Connect] Insert [color of plug] plug at end of hose into [color of spout] spout on cap [until it clicks Flip up spout] [Spout must remain up while spraying] [Illustration #3]]

[3 Extend] Flip open [applicator name] wand until it locks into position [Illustration #4]

[4 Spray] Twist nozzle at end of [applicator name] wand to desired spray pattern [Ensure trigger lock is disengaged before spraying]Hold (color of trigger) trigger for continuous spray [Illustration #5]

HOW TO APPLY/USE [icon]

- Follow illustrations and instructions above
- Twist nozzle at end of [applicator name] wand to desired spray pattern
- Point [applicator name] wand away from body and Hold [color of trigger] trigger for continuous spray
- Release trigger to stop spray
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

Optional How To Apply When Using Marker

- Follow illustrations and instructions above
- Turn sprayer nozzle to desired position – FOAM or STREAM
- FOAM marks treated weeds allowing you to easily see where you ve sprayed
- STREAM provides a coarse spray that does not foam
- [Both settings provide the same weed control results]
- Point sprayer away from body and Hold [color of trigger] trigger for continuous spray
- Release trigger to stop spray]
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

[After Use twist nozzle to OFF position [Engage trigger lock] Flip the [applicator name] wand closed and store on the side [holder/clip)]

Important Use Information Do not submerge in water When storing sprayer for long periods remove batteries

To replace batteries Open battery compartment at bottom of [applicator name] wand Remove used batteries and replace with four new AA batteries in correct position as marked per diagram inside battery compartment Securely close battery compartment door Always use a complete set of the same type when replacing batteries Never mix alkaline carbon zinc or rechargeable batteries

Optional Trouble Shooting Section for [Battery Powdered Wand] [Applicator Name]

Troubleshooting Tips

Problem Sprayer does not spray [function]

Possible Cause Batteries not installed properly

Solution See instructions for correct battery placement

Problem Sprayer makes a straining noise [Sprayer runs but nothing [no product] comes out]

Possible Cause Nozzle is turned Off

Solution Turn nozzle to (desired) spray setting [position]

Possible Cause [Red] [color] plug at end of hose is not flipped up

10/19

Bold italicized text is information for the reader and is not part of the label
 [Bracketed information is optional text] Text separated by / denotes and/or options
 Underline text is new Strike-through text is being deleted

Solution Insert [color of plug] plug at end of hose into [color of spout] spout on cap [until it clicks and flip up spout]

Possible Cause Sprayer is not primed

Solution Press and hold button on sprayer for about [X] seconds to prime the sprayer

Problem Spray pattern is weak [or uneven] [product flow is uneven or dribbles out of nozzle]

Possible Cause Weak batteries

Solution Install a fresh set of batteries

Possible Cause [Red] [color of plug] plug at end of hose is not flipped up

Solution Insert [color of plug] plug at end of hose into [color of spout] spout on cap [until it clicks] [Attach coupler to the cap] and [flip up spout]

Possible Cause Nozzle not fully open

Solution Turn nozzle to [desired] spray setting [position]

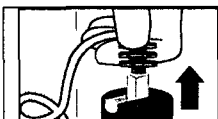

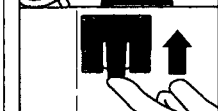

Optional Refill [and Reuse] Directions

[The Comfort Wand/Applicator Name [applicator/wand] may be reused with Lawn Crabgrass and Weed Killer/Product Name refill bottle/container Read and follow instructions in Reuse Directions to reuse the applicator]

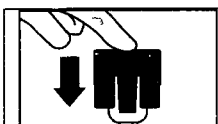

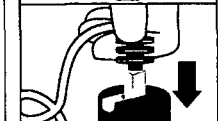

Refill [and Reuse] Directions

How to attach the [Comfort Wand/Applicator Name] [applicator/wand] to Lawn Crabgrass and Weed Killer/Product name [refill bottle]

Removing [Comfort Wand/Applicator Name] [applicator] from original bottle

	Remove the [applicator name] [applicator] by pulling the [color of plug] [red] plug from the [color of spout] [red] spout on cap [Illustration]
	[At the bottom of the side [clip] [carrier] [holder] press the middle tab up and slide the [clip] [carrier] [holder] upwards to remove it from the bottle] [Illustration]

Adding [Comfort Wand/Applicator Name] [applicator] to Lawn Crabgrass and Weed Killer/Product Name

	[Slide the side [clip] [carrier] [holder] downward on the knob located [at right hand] [on the] side of the refill container] [Illustration]
	Insert [color of plug] [red] plug at end of hose into [color of spout] [red] spout on cap [until it clicks] [Illustration]

STORAGE & DISPOSAL

PESTICIDE STORAGE [Applicator Name] [Applicator] Flip down (color of spout) spout on cap NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP Completely discharge/dispense product in sprayer prior to storage Twist sprayer nozzle to the OFF position [Engage trigger lock] Flip the [applicator name] wand closed and place [sprayer] back in side carrier [clip] [holder] Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Comfort Wand /Applicator Name can be reused with Lawn Crabgrass and Weed Killer/Product Name refill bottle/container Follow instructions in Reuse Directions when reusing [applicator name] Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

Option 5 – Easy-Shot System

[[Applicator Name] [Applicator] Directions]

[Insert] Attach refill bottle by removing cap and twisting into [applicator name] Do not over tighten [Illustration #1]

[Spray] Twist nozzle at end of wand to desired spray pattern Hold [color of trigger] trigger for continuous spray [Illustration #2]

For hard to reach areas

[Extend] Extend wand by sliding wand forward until it locks into place [Illustration #3]

[Remove] Remove wand and aim at target while holding the [applicator name] facing toward the ground [Illustration #4]

[OPTIONAL DIRECTIONS]

[[Clean] Remove cartridge and clean applicator after each use [Always clean applicator before switching from one Ortho® product to another] See [applicator name] applicator for cleaning directions

- Remove refill cartridge from [applicator name]
- Remove cap from cleaning cartridge and fill with tap water
- Replace cap and insert cleaning cartridge by twisting into [applicator name]
- Spray in an area that is designated by this product label until cleaning cartridge is empty]

HOW TO APPLY/USE [icon]

- Follow illustrations and instructions above
- Twist nozzle at end of sprayer to desired spray pattern
- Point sprayer away from body and hold [color of trigger] trigger for continuous spray
- Aim at center of weed and spray to lightly cover
- To avoid spray drift hold spray nozzle 2 feet or less from targeted weed

[[After Use] Twist nozzle to CLOSED position]

Important Use Information Do not submerge in water When storing sprayer for long periods remove batteries

To replace batteries Open battery compartment on side of [applicator name] Remove used batteries and replace with four new AA batteries in correct position as marked per diagram inside battery compartment Securely close battery compartment door Always use a complete set of the same type when replacing batteries Never mix alkaline carbon zinc or rechargeable batteries

STORAGE & DISPOSAL

PESTICIDE STORAGE Replace cap Keep from freezing Keep pesticide in original container Do not put into food or drink containers Avoid contamination of feed and foodstuffs Store in a cool dry place preferably in a locked storage area

PESTICIDE DISPOSAL AND/CONTAINER HANDLING Non refillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instruction Never place unused product down any indoor or outdoor drain

Option 6 – Other Pump Style/Quick Pump

[[Applicator Name] [Applicator] Directions]

TO USE

Remove wand from holster and pull the hose from the storage compartment Turn the pump handle clockwise to make sure the pump is tight [and push the pop up pressure indicator completely down] before pumping [photo]

TO PUMP

Turn the pump handle clockwise [one quarter turn] to release the handle Pump the sprayer [until the pressure indicator pops up about an inch] [That s your signal you are ready to spray] Turn the pump handle counterclockwise [one quarter turn] to secure the handle for carrying [photo]

TO SPRAY

Begin spraying by pushing the lever on the spray handle down Rotate the nozzle at the tip of the wand to adjust spray from a stream to gentle mist For continuous spraying push the lever down and slide forward to lock Pull back to release Aim at center of weed and spray to lightly cover To avoid spray drift hold spray nozzle 2 feet or less from targeted weed [photo]

TO STORE

Slowly turn the pump handle counterclockwise to untighten and release pressure then turn back clockwise to retighten the handle Push the hose back into the storage compartment and put the wand back in holster [photo]
