14111 Scottslawn Road
Marysville, OH 43041

Mr. Olav Messerschmidt
OMC Consulting
828 Tanglewood Lane
East Lansing, MI 48823

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division (BPPD) prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA Registration Number (EPA Reg. No.).

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA, or the Act).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. To protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is registered in accordance with FIFRA section 3(c)(5), subject to the following terms:

1. Submit two (2) copies of the final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for further description of final printed labeling.

Submit the results of the following confirmatory studies within six (6) months of registration:

2. Final Manufacturing Process (40 CFR 158.2120; Guideline No 885.1200).
3. Five-batch Analyses (40 CFR 158.2120; Guideline No 885.1400).
4. Stability to Normal and Elevated Temperatures, Metals and Metal Ions Study (40 CFR 158.2120; Guideline No 830.6313).
5. Storage Stability Study (40 CFR 158.2120; Guideline No 830.6317).
6. Corrosion Characteristics Study (40 CFR 158.2120; Guideline No 830.6320).

A stamped copy of the label is enclosed for your records.

ACCEPTED

Jan 13, 2012

Under the Federal Insecticide, Fungicide
and Rodenticide Act, as amended, for
the pesticide registered under
EPA Reg. No.

239-2702

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wear protective eyewear such as goggles. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PHOMA TECH is intended for use in the formulation of herbicides intended for terrestrial, non-food use.

This product may be used to formulate other products for any additional uses not listed on this label if the formulator or user group has complied with the U. S. Environmental Protection Agency (US EPA) data submission requirements regarding the support of such uses. Products formulated with PHOMA TECH will require registration with the US EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal

Pesticide Storage: Store at room temperature 68°F (20°C) for up to 2 years. Store container upright and keep tightly closed when not in use.

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into manufacturing equipment. Then offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with terms of this label and directions for use.
