Subject: Label Amendment – multiple changes included bug and ant product system language addition
Product Name: Ortho Home Defense Indoor and Outdoor Insect Killer 3
EPA Registration Number: 239-2717
Application Date: 9/20/2018
Decision Number: 545544

Dear Mr. Zemanek:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

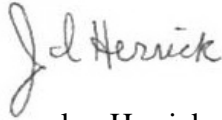

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 545544

with FIFRA section 6. If you have any questions, please contact Jacquelyn Herrick by phone at 703-347-0559, or via email at herrick.jacquelyn@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "J. Herrick".

| FIRST AID | |
| If swallowed | Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. |
| If in eyes | Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. |
| HOTLINE NUMBER | |
| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-465-5161 for Emergency Assistance. | |
| NOTE TO PHYSICIAN | |
| Emergency Information call 1-877-465-5161. | |

PRECAUTIONARY STATEMENTS

| |
|---|
| Hazards to Humans & Domestic Animals |
| CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear: Long-sleeved shirt and long pants, socks, shoes, and chemical resistant gloves made of: barrier laminate, butyl rubber (> 14 mils), nitrile rubber (> 14 mils), neoprene rubber (> 14 mils), natural rubber, polyethylene, PVC (> 14 mils) or viton (> 14 mils). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. |

ENVIRONMENTAL HAZARDS: This pesticide is extremely toxic to fish, aquatic invertebrates, oysters and shrimp. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Drift and run-off from treated areas may be hazardous to aquatic organisms in neighboring areas. Care should be used when spraying to avoid fish and reptile pets in/around ornamental ponds. This product is highly toxic to bees exposed to direct treatment or residues on blooming plants. Do not apply this product or allow it to drift to blooming plants if bees are visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS: Do not apply this product in or on electrical equipment due to the possibility of shock hazard.

NOTICE: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

All outdoor spray applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

1. Perimeter band treatments of 7 feet wide or less from the base of a man-made structure to pervious surfaces (e.g., soil, mulch, or lawn);
2. Applications to underside of eaves, soffits, doors, or windows permanently protected from rainfall by a covering, overhang, awning, or other structure;
3. Applications around potential exterior pest entry points into man-made structures such as doorways and windows, when limited to a band not to exceed one inch;
4. Applications to vertical surfaces (such as the side of a man-made structure) directly above impervious surfaces (e.g., driveways, sidewalks, etc.), up to 2 feet above ground level;
5. Applications to vertical surfaces directly above pervious surfaces, such as soil, lawn, turf, mulch or other

NOTE:

EPA Reg. No. 239-2717

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

vegetation) only if the pervious surface does not drain into ditches, storm drains, gutters, or surface waters.

- Spot treatments must not exceed two square feet in size (for example, 2 ft. by 1 ft. or 4 ft. by 0.5 ft.).
- Do not apply directly to impervious horizontal surfaces such as sidewalks, driveways, and patios except as a spot or crack-and-crevice treatment.
- Treat surfaces to ensure thorough coverage but avoid runoff.
- To treat insects harbored in voids and cracks-and-crevices, applications must be made in such a manner to limit dripping and avoid runoff onto untreated structural surfaces and plants.
- Do not make applications during rain. Avoid making applications when rainfall is expected before the product has sufficient time to dry (minimum 4 hours).
- Rainfall within 24 hours after application may cause unintended runoff of pesticide application.
- Do not apply or irrigate to the point of runoff.
- Do not spray the product into fish pools, ponds, streams, or lakes. Do not apply directly to sewers or storm drains, or to any area like a drain or gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.
- Do not allow the product to enter any drain during or after application.

Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos. Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Keep from freezing. To be stored in original container and placed in areas inaccessible to children.

Note to reviewer: *Below is For Non-Refillable containers*

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for local disposal options.

Note to reviewer: *Below is For Refillable Containers*

PESTICIDE DISPOSAL AND CONTAINER HANDLING: [Applicator Name] can be reused/refilled with [Product Name refill bottle/container]. Follow instructions in the Reuse/Refill Directions [when reusing [applicator name]]. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for local disposal options.

APPLICATOR LANGUAGE SECTION

NOTE TO PM: *Spray Pattern Descriptor is any word used to describe the pattern such as flat, fan, coarse, or fine.*

NOTE TO PM: *Quotes around Directions are optional (i.e. "ON", "OFF")*

Option 1 – Bottle attached trigger sprayer

[Conventional Trigger RTU/Applicator Device/Applicator Name Directions/Instructions]

[If Applicator is not attached:][Remove cap [and seal], then insert applicator/sprayer in/into the bottle. Tighten applicator/sprayer to bottle/container/pouch]

[HOW TO USE:]

[Spray]

1. Turn sprayer nozzle to desired spray/spray pattern/foam/indoor setting/perimeter setting/ "On"/spray pattern descriptor.
2. Squeeze trigger [repeatedly] [to spray.]

[Finish]

1. [Turn sprayer nozzle to "OFF"/X.]
-
-

NOTE:

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

Option 2- Hose attached trigger sprayer

[Conventional Trigger Large RTU/Quick Connect Trigger Sprayer/Applicator/Applicator Name
Directions/Instructions]

[HOW TO USE:]

[Spray] 

1. Remove sprayer/Applicator Name from bottle/holster/holder/box/container/package [by sliding/pulling/pushing sprayer up/down/in/out].
2. [Remove cap/seal/cover on pouch/container/bottle spout/knob/fitment]
3. Unwrap/Uncoil hose and insert [[color] hose connector] into [color] spout/knob/opening/lid [on][bottle/pouch/container] [cap] [until it clicks].
4. [Flip up [color] spout until fully upright / Twist spout/knob to “ON” / Pull spout up / Rotate hose connector [to lock/engage/open/secure].]
5. Turn sprayer nozzle to desired spray/spray pattern/indoor setting/perimeter setting/ “On”/spray pattern descriptor.
6. Squeeze trigger [repeatedly] [to spray.]

[Finish]

1. [Turn sprayer nozzle to “OFF” / X.]
2. [DO NOT DISCONNECT HOSE CONNECTOR [FROM SPOUT/CAP/KNOB/OPENING].]
3. [Place sprayer back into holster/holder.]

Option 3 – Pull ‘N Spray

[Pull ‘N Spray/Applicator/Applicator Device/Applicator Name Directions/Instructions]

[HOW TO USE:]

[Spray] 

1. Remove sprayer/Applicator Name from bottle/holster/holder/box/container/package [by sliding/pulling/pushing sprayer up/down/in/out]
2. [Remove cap/seal/cover on pouch/container/bottle spout/knob/fitment]
3. Unwrap/Uncoil hose and insert [[color] hose connector] into [color] spout/knob/opening/lid [on][bottle/pouch/container] [cap] [until it clicks].
4. [Flip up [color] spout until fully upright / Twist spout/knob to “ON” / Pull spout up / Rotate hose connector [to lock/engage/open/secure].]
5. Turn sprayer nozzle to desired spray/spray pattern/indoor setting/perimeter setting/ “On”/spray pattern descriptor.
6. Point sprayer away from body. Slowly pull ring at bottom of sprayer until it stops, and hold for two [2] seconds to fill sprayer.
7. Press trigger to spray.

[Finish]

1. [Turn sprayer nozzle to “OFF” / X.]
2. [DO NOT DISCONNECT HOSE CONNECTOR [FROM SPOUT/CAP/KNOB/OPENING].]
3. [Place sprayer back into holster/holder.]

Option 4 – Battery Hose Attached Sprayer

[Battery Powered Wand/Comfort Wand/Comfort Shot Wand/Applicator/Wand/Applicator Name
Directions/Instructions]

[HOW TO USE:]

NOTE:

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

[Prep [Wand]] 

1. Remove sprayer/Applicator Name from bottle/holster/holder/box/container/package [by sliding/pulling/pushing sprayer up/down/in/out].
2. [Remove [color] pull strip to activate batteries].
3. [Unfold / Flip Open [Applicator Name/applicator/wand] until it clicks/locks into position.]
4. [Extend wand/applicator/nozzle] [fully].

[Connect] 

1. [Remove cap/seal/cover on pouch/container/bottle spout/knob/fitment]
2. Unwrap/Uncoil hose and insert [[color] hose connector] into [color] spout/knob/opening/lid [on][bottle/pouch/container] [cap] [until it clicks].
3. [Flip up [color] spout until fully upright / Twist spout/knob to “ON” / Pull spout up / Rotate hose connector [to lock/engage/open/secure].]

[Spray] 

1. Turn sprayer nozzle to desired spray/spray pattern/indoor setting/perimeter setting/ “On”/spray pattern descriptor.
2. [Slide [color] switch on trigger to “Unlock”].
3. Press trigger to spray.

[Finish] 

1. [Turn nozzle to “OFF”/X].
2. [Slide [color] switch on trigger to “Lock”].
3. [Fold [Applicator Name/wand/applicator] closed [and place sprayer/wand back in holster/holder].]

Important Use Information: Do not submerge in water. When storing sprayer for long periods, remove batteries.

[To replace batteries: See marked diagram inside battery compartment.]

Option 5 – Pump Container with Applicator

[Pump ‘n Go/EZ Sprayer/Applicator/Applicator Device/Applicator Name Directions/Instructions]

[HOW TO USE:][HOW TO ASSEMBLE AND USE INSTRUCTIONS][FOR][Pump ‘n Go/Applicator Name]

[CUT] 

[Carefully cut the [two] [color] zip tie[s] securing hose and pump handle with scissors, using caution not to cut [color] hose.]

[CONNECT] 

[Unwind hose.][Firmly push the [hose] connector at the end of the hose onto the [color] spout/cap/knob/opening on the pump [, until it locks into place].]

[PREP [WAND/SPRAYER]][Extend Wand] 

Lift sprayer [wand] off bottle. Push [color] button while pulling out on the sprayer/wand nozzle tip. Fully extend wand/sprayer until [color] button snaps into SPRAY POSITION. NOTE: [Color] Trigger will not function until wand is fully extended and [color] button is visible in the SPRAY POSITION.

NOTE:

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

[PUMP]-

Make sure handle is screwed on tightly [, or the bottle will not pressurize]. Pump container 25-30 times to pressurize bottle. A full bottle requires fewer pumps than an empty bottle. Pumping to the higher range will provide longer spray duration. After pumping, push pump down and turn handle clockwise/counterclockwise to lock into carrying position.

NOTE: This bottle is designed to expand under pressure and cannot be over-pressurized.

[SPRAY][

Aim wand/sprayer. Spray by pushing down [color] trigger with thumb. Adjust spray pattern by rotating [color] nozzle tip up to one-half rotation.

[FINISH][STORE][

[When finished spraying,] push the [color] button and retract/fold the wand/sprayer until the [color] button snaps back into the original storage position. Place wand/sprayer back onto the top of the bottle [in the integrated holster with nozzle tip extended through the eyelet opening].

[DEPRESSURIZE][

Push pump handle all the way down and turn pump handle and cap counter-clockwise/clockwise to relieve pressure, then retighten to store.

Option 6 - Squeeze

[Applicator Name/Applicator Directions/Instructions]

[HOW TO USE/APPLY] *Alternative Text:* [HOW TO ASSEMBLE AND USE INSTRUCTIONS]:

[Open:]

1. [Twist off cap and remove foil liner.]
2. [Replace cap.]
3. Flip/Twist/Open Cap

[Spray:]

1. To BEGIN spraying, invert the bottle and point/aim/direct [at the insect/or area of application]
2. Squeeze the bottle [to initiate the flow of product.]
3. Spray only until the surface is wet. / Spray evenly

[Finish:]

1. [To STOP spraying, release pressure / turn bottle upright]
2. [Flip/twist/close the cap [until you hear an audible snap / until secure].]

Option 7 – Flairosol

[Applicator Name/Applicator Directions/Instructions]

[HOW TO USE:]

[Prep]

1. [Before first use prime the trigger by pumping/squeezing it [several/a few times]]
2. [Slide/Press [color] switch/button [on trigger] to “Unlock”].

[Spray/Apply]

1. Squeeze/pump/pull/press trigger/button to release spray/mist
2. Spray [directly] onto/at insects/bugs or onto surfaces

NOTE:

EPA Reg. No. 239-2717

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

[Finish]

1. [When empty purchase refill bottle & reuse [trigger] sprayer]

Option 8 – Integrated Primo Wand

[Battery Powered/Comfort/Ergo [Shot] Wand/Applicator/Applicator Name Directions/Instructions]

[HOW TO USE:]

[Prep [Wand]]

1. [Unsnap/Unsecure/Unlock wand/applicator and Extend wand/applicator [upward/fully][until it clicks into place]]
2. [Remove [color] pull strip to activate batteries].

[Spray]

1. Turn sprayer nozzle to desired spray/spray pattern/indoor setting/perimeter setting/ “On”/spray pattern descriptor.
2. [Slide [color] switch on trigger to “Unlock”].
3. Press trigger to spray.

[Finish]

1. [Turn nozzle to “OFF”/X].
2. [Slide [color] switch on trigger to “Lock”].
3. [Fold [Applicator Name/wand/applicator] closed]

Important Use Information: When storing sprayer for long periods, remove batteries.

[To replace/change batteries: Remove sprayer head/applicator from bottle by rotating clockwise/counterclockwise to access battery compartment. See marked diagram inside battery compartment.]

Optional Troubleshooting Section for Options 4 and 8

Troubleshooting Tips:

Problem: Sprayer does not spray [function].

Possible Cause: Batteries not installed properly.

Solution: See instructions for correct battery placement.

Problem: Sprayer makes a straining noise [Sprayer runs but nothing [no product] comes out].

Possible Cause: Sprayer nozzle is turned off.

Solution: Turn sprayer nozzle to [desired] spray setting [position].

Possible Cause: [Red] [color] hose connector is not flipped up.

Solution: Insert [color] hose connector into [color] spout/knob/opening on bottle cap until it clicks and flip up spout until fully upright.

Possible Cause: Sprayer is not primed.

Solution: Press and hold button on sprayer for about X (**10 / 15 / 20 / 30**) seconds to prime sprayer.

Problem: Spray pattern is weak [or uneven] [product flow is uneven or dribbles out of nozzle].

Possible Cause: Weak batteries.

Solution: Install fresh set of batteries.

Possible Cause: [Red] [color] hose connector is not flipped up.

Solution: Insert [color] hose connector into [color] spout/knob/opening on bottle cap until it clicks. [Attach coupler to the cap] and flip up spout until fully upright.

Possible Cause: Sprayer nozzle not fully open.

Solution: Turn sprayer nozzle to [desired] spray setting [position].

End of Optional Troubleshooting Section for Options 4 and 8

Refill/Applicator Reuse Options

Option 1 – Applicator Reuse

[Applicator Name/Wand] REFILL/REUSE DIRECTIONS

How to attach applicator name/wand to Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/ bottle/container:

Removing [color] hose/Comfort Wand/Applicator Name from original bottle/container:

| | |
|--|--|
| | <p>Remove the [color] hose connector from the original bottle/container/pouch by pulling the [color] plug from the [color] spout [on cap].</p> <p>[To remove the side holster/holder from original bottle/container/pouch, pull/lift the bottom tab underneath and slide the holster/holder up.]</p> |
|--|--|

Adding [color] hose/Comfort Wand/Applicator Name to Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container:

| | |
|--|---|
| | <p>[Attach the sprayer holster/holder to Ortho Home Defense Indoor and Outdoor Insect Killer3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container by sliding the holster/holder down onto the knob.]</p> <p>Insert [color] hose connector into [color] spout [on cap] [until it clicks].</p> |
|--|---|

OR

[Applicator Name/Flairosol] REFILL: This bottle/container may be refilled with Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name. To refill twist/snap Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name into/onto spray/applicator nozzle/top.

OR

[Applicator Name/Flairosol] REFILL/REUSE DIRECTIONS

How to attach Applicator Name/Flairosol to Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container:

Remove sprayer/applicator/top from the empty container/bottle by rotating it clockwise/counter clockwise. Place sprayer/applicator/top on the refill container and rotate it clockwise/counter clockwise [until it is secure].

OR

Remove sprayer/applicator/top from the empty container by pulling the bottle/container down/out. Place sprayer/applicator/top on the refill container/bottle and push up on the bottle/container [until it is secure].

Option 2 – Integrated Primo Wand Applicator Reuse

REFILL/REUSE DIRECTIONS / How to Reuse/Refill

How to attach Applicator Name/integrated wand to Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container:

1. Remove sprayer head/applicator from botte by rotating clockwise/counterclockwise and remove from empty bottle/container/pouch.
2. Remove cap/lid from Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container/pouch.
3. [Remove Seal.]

NOTE:

EPA Reg. No. 239-2717

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options. Highlighted Text is New.

4. Insert tube/straw into Ortho Home Defense Indoor and Outdoor Insect Killer 3/Product Name/refill/recharge/renew/fill-up/reload/bottle/container/pouch.
5. Secure the sprayer head/applicator from botte/container/pouch by rotating clockwise/counterclockwise

Option 2 – Refill by pouring same RTU formula from a refill package

Refill Container

Use this product to refill the empty [insert brand name for Ortho Home Defense Indoor and Outdoor Insect Killer 3] container by pouring product carefully and directly into the container. DO NOT add water.

OR

HOW TO REFILL For [Ready-To-Use] Containers with Applicators Intended to be Reused/Refilled To refill this empty container, pour product carefully and directly from the [insert brand name] container designated as the ready-to-use refill container. DO NOT add water

Option 3 – Refill by pouring same RTU formula from Liquaflex refill package

[REFILL DIRECTIONS/INSTRUCTIONS]

1. Do not reuse or refill this container/pouch. Use this product to refill the empty [Product name] container/bottle/pouch.
2. For best pouring experience place bag and refill bottle next to each other at waist height
3. Remove cap
4. Grasp [handle] with dominant hand
5. Place the other hand on the front side of the bag/pouch/container for stability
6. Carefully pour liquid into target container/bottle/pouch

Option 4 – Refill by pouring same RTU formula into Pump Container with Applicator

How to refill [Quick Pump/Pump 'N Go/Applicator Name] [using/with] [1.33 Gallon Ready-To-Use Refill/HD 2717 Flex/Product Name/refill/recharge/renew/fill-up/reload/bottle/container]:

1. Remove pump handle on Quick Pump/Pump N Go/Applicator Name by twisting it counterclockwise.
2. Remove cap from HD 2717 Flex/Product Name/refill/recharge/renew/fill-up/reload/bottle/container/pouch.
3. Pour product carefully and directly into [Quick Pump/Pump 'N Go/Applicator Name] container/bottle. Do Not fill above 2”/3”/4” from top of container/bottle. DO NOT add water.

Secure pump handle back on container by twisting it clockwise until tight.

The following Product Facts format is optional and the information may appear inside or outside of a box.

PRODUCT FACTS:

[What It Does:] Kills home invading insects: [ants], [cockroaches], [spiders], [fleas], [ticks], [scorpions], [beetles], [earwigs], [silverfish], [centipedes], [millipedes]. (See inside for complete list)

[Where to Use:] Use with confidence indoors ([kitchens], [bathrooms], [doors & windows], [basements]) and outdoors ([perimeter of foundations, patios and decks], [garages], [doors & windows]) wherever insects are a re-occurring problem.

[When to Use:] Use anytime as a preventative treatment or after you see evidence of insect activity for long-lasting control.
