UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Ms. Jane Rothwell
The Scott's Company d/b/a The Ortho Group.
P.O. Box 190
Marysville, OH 43040

APR - 9 2014

Dear Ms. Rothwell:

Subject: Amendment: Add Alternate Brand Names, Delete Alternate Brand Names,
Revise directions for types of applicator devices for product line consistency
Add table to call out specific uses and product facts and claims
Ortho Bug B Gon/Home Defense-RTS/Concentrate
EPA Reg. No. 239-2718
Your submission dated January 23, 2014

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) section 3(c)(7)(a), is acceptable and a stamped copy of the label is enclosed for your records.

The Agency's records will be updated include the following Alternate Brand Names:

Ortho Bug B Gon Home & Ranch Insect Killer for Lawns &/and Gardens Concentrate 1
Ortho Bug B Gon Insect Killer for Home & Ranch Concentrate 1
Ortho Home & Ranch Insect Killer for Lawns &/and Gardens Concentrate 1
Ortho Insect Killer for Home & Ranch Concentrate 1
Ortho Bug B Gon Lawn & Garden Insect Killer Concentrate
Ortho Bug B Gon Lawn & Garden Insect Killer Ready-to-Spray
Ortho Outdoor Insect Killer Concentrate
Ortho Outdoor Insect Killer Ready to Spray
Ortho Bug B Gon Insect Killer for Outdoors Concentrate
Ortho Bug B Gon Insect Killer for Outdoors Ready-to-Spray
Ortho Home Defense Insect Killer for Indoor & Perimeter Concentrate
Ortho Insect Killer for Indoor & Perimeter Concentrate
Ortho Home Defense Indoor & Perimeter Insect Killer Concentrate
Ortho Home Defense Perimeter and Indoor Insect Killer Concentrate
Ortho Indoor and Perimeter Insect Killer Concentrate

You have requested deletion of the following Alternate Brand Names (previously requested January 25, 2013 and accepted March 29, 2013):

- Ortho Home Defense Max Outdoor Perimeter Insect Killer Ready Spray 1
- Ortho Outdoor Perimeter Insect Killer Ready Spray 1
- Ortho Home Defense Max Perimeter and Indoor Insect Killer Concentrate
- Ortho Home Defense Max Outdoor Perimeter Insect Killer Concentrate
- Ortho Outdoor Perimeter Insect Killer Concentrate
- Ortho Bug B Gon Max Lawn & Garden Insect Killer Concentrate
- Ortho Bug B Gon MAX Insect Killer for Lawns & Gardens Ready to Spray
- Ortho Bug B Gon MAX Lawn & Garden Insect Killer Concentrate 1
- Ortho Bug B Gon MAX Insect Killer for Lawns & Gardens Concentrate
- Ortho Max Fire Ant Mound Drench Ready to Spray 1
- Ortho Fire Ant Mound Drench Ready to Spray 1

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10), or durably marked on the container itself.

If you have any questions regarding this letter, please contact Dana Pilitt, Ph.D. at (703) 305-7071 or via e-mail at pilitt.dana@epa.gov.

Sincerely,

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505P)

EPA Reg. No. 239-2718

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options.

	Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-(800)-225-2883 for Emergency Assistance.

NOTE TO PHYSICIAN

Emergency Information call 1-(800)-225-2883.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear: Long-sleeved shirt and long pants, socks, shoes, and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish, aquatic invertebrates, oysters and shrimp. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems. Drift and run-off from treated areas may be hazardous to aquatic organisms in neighboring areas. Care should be used when spraying to avoid fish and reptile pets in/around ornamental ponds. This product is highly toxic to bees exposed to direct treatment of residues on blooming crops or weeds. Do not apply this product or allow to drift to blooming crops if bees are visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS

Do not apply this product in or on electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not water the treated area to the point of run-off.

Do not make applications during rain.

All outdoor applications must be limited to spot and crack-and-crevice treatments only, except for the following permitted uses: [

- (1) Treatment to soil or vegetation around structures;
- (2) Application to lawns, turf, and other vegetation;
- (3) Application to building foundations, up to a maximum height of 3 feet.]

Note to PM. Statements 1, 2, and 3 above may optional depending upon labeled uses on the market label.

Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications only.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

[1 Tablespoon (Tbs) = 3 teaspoons (tsp) 1 fl oz = 2 Tbs 4 fl oz = ½ cup]

Food utensils such as spoons and measuring cups must not be used for food purposes after use with pesticides.

Shake Well

STORAGE & DISPOSAL	PESTICIDE STORAGE: Keep from freezing. To be stored in original container and placed in areas inaccessible to children.
-------------------------------	--

NOTE:

EPA Reg. No. 239-2718

Bold, italicized text is information for the reader and is not part of the label. [Bracketed information is optional text]. Text separated by / denotes and/or options.

	<p>PESTICIDE DISPOSAL AND CONTAINER HANDLING: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor (including toilet) or outdoor (including sewer) drain.</p>

*[Applies to/for] [any combination of the following]: ants, fleas, cockroaches, spiders (excluding black widow), house flies, scorpions, and American dog ticks

6-Month Claims

- 1. Up to 6 month control [protection] outdoors*
- 2. Kills [Controls] [Protects] [for] up to 6 months outdoors*
- 3. Kills listed bugs [indoors] [and] [outdoors] for 6 months*
- * [Applies to/for]: spiders (excluding black widow, brown recluse, hobo)

[OUTDOOR PERIMETER INSECT KILLER specific]

- 1. One application keeps listed bugs out for an entire month!*
- 2. Keeps listed bugs away for up to 1 month*
- 3. One application keeps [any combination of listed insects qualified below] out for up to 1 month!
- *[Applies to/for]: Mosquitoes, Fleas, Cockroaches and Flies.

[FIRE ANT SPECIFIC]

- 1. One application lasts [for up to] ([4,5,6...12] weeks / [1,2,3] months) [against fire ants]
- 2. Kills fire ants on contact [and lasts/keeps killing] [for up to] ([4,5,6...12] weeks / [1,2,3] months)
- 3. [Kills fire ants] [and] controls new mounds from forming] [for up to] ([4,5,6...12] weeks) / [1,2,3] months.)

Usage:

[INSECT KILLER specific]

- 1. Use on lawns, around home perimeter, ornamentals, flowers, trees, shrubs, vegetables & fruit trees.
- 2. [One [32 fl oz][xx fl oz][xx gal] bottle] covers up to 5300/xxx square feet [sq ft] > Lawn insects
- 3. [One [32 fl oz][xx fl oz][xx gal] bottle] covers up to 2700/xxx square feet [sq ft] > Flowers, shrubs
- 4. [One [32 fl oz][xx fl oz][xx gal] bottle] covers up to 1400/xxx square feet [sq ft] > Home Perimeter
- 5. [One [32 fl oz][xx fl oz][xx gal] bottle] Makes up to 42/xxx gallons – [concentrate product package only]
- 6. [One [32 fl oz][xx fl oz][xx gal] bottle] Makes up to 21/xxx gallons – [concentrate product package only]

[OUTDOOR PERIMETER INSECT KILLER specific]

- 1. Great for treating the home foundation!
- 2. Great for treating large areas [like [around] the home foundation]!
- 3. Treats the exterior perimeter of an average [2,000] [X] sq ft. 2-story home
- 4. 1 bottle treats the exterior perimeter of an average [2,000] [X] sq ft. 2-story home over 2X (32 fl oz. Consumer Mixed Concentrate) [Illustration of 1 bottle = 2 homes]
- 5. Use outside your home
- 6. Sprays up to 25 gallons
- 7. Makes 25 gallons of spray
- 8. Makes X Gallons[!] (Consumer Mixed Concentrate)

[General]

- 1. Non-staining
- 2. Odor Free
- 3. Low Odor

[FIRE ANT SPECIFIC]

- 1. [One/1] [32 fl oz] bottle kills 21 mounds
- 2. Just apply for 30 seconds directly to mound and surrounding 2 foot radius.

Ready-to-Spray Applicator Claims:

[GENERAL]

- 1. Ready to Spray Hose-end applicator
- 2. Low pressure shower applicator- won't harm plants [or blooms]
- 3. Low pressure shower applicator- won't damage plants [or blooms]
- 4. One-handed operation
- 5. Ergonomic [design]

NOTE:
