

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

239-2775

Date of Issuance:

04/28/2021

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

FAK 2632

Name and Address of Registrant (include ZIP Code):

The Scotts Company d/b/a The Ortho Group
P. O. Box 190
Marysville, OH 43040

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.

Signature of Approving Official:

Shanta Adeeb, Product Manager 10
Invertebrate-Vertebrate Branch 2
Registration Division (7505P)
Office of Pesticide Programs

Date:

04/28/2021

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 04/01/2021
- Alternate CSF A dated 04/01/2021
- Alternate CSF B dated 04/01/2021
- Alternate CSF C dated 04/01/2021

If you have any questions, please contact David Gardner by phone at (703) 347-8599, or via email at gardner.david@epa.gov

Enclosure

FAK 2632

ACTIVE INGREDIENT:

Acephate 50%

OTHER INGREDIENTS: 50%

[Contains] XX [0.21 oz. (5.93 g)] Packets/Pouches/Doses/Singles/Packs/BlitzPacks/AttackPacks/FAK Packs

Total Net Contents: xx oz. (x g) *{Note to PM: Total Net contents = 0.21 oz. x number of pouches}*

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes and clothing. When handling this product, wear long-sleeved shirt and long pants, shoes plus socks and chemical resistant gloves made of any water proof material. Wash the outside of the gloves with soap and water before removing. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to birds. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Cover or soil-incorporate spills.

FIRST AID

If swallowed	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
--------------	---

If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
------------	---

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Emergency Information - call 1-877-465-5161.

Note to Physicians: Acephate is a cholinesterase inhibitor. Atropine is antidotal. 2-PAM is also antidotal and may be used in conjunction with atropine but should not be used alone.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact people or pets.

IMPORTANT: To be used only as a mound treatment for home lawns and as a mound treatment around ornamental plants (including flowers, trees and shrubs).

RESTRICTION: DO NOT WATER IN. Do not apply during heavy dew or just before a rain.

Note to PM: *One of the following Options will appear on the FPL*

OPTION 1

[Product Facts]

[Kills Insects]:[For] Fire Ants [and][,][Red Harvester Ants]

WHERE TO USE: As a mound treatment for home lawns and around ornamental plants (including flowers, shrubs, & trees).

HOW TO APPLY

- Rip/Tear/Open FAK 2632/Blitz/Attack packet/pack/single/pouch.
- Sprinkle/Pour/Shake/Dispense/Empty contents (1 Tbsp.) [dry powder] over each/per mound.
- Try not to disturb mound while treating.

WHEN TO APPLY

- For best results, apply when ants are active. Applications made under prolonged hot and dry conditions may be ineffective due to location of ants deep in the nest.
- Treat new mounds as they appear.

END OF OPTION 1

OPTION 2

Fire Ants [and Red Harvester Ants]: As a mound treatment in home lawns and around ornamental plantings:

Sprinkle/Pour/Shake/Dispense/Empty packet/dose/pouch/single/pack (1 Tbsp.) of dry powder over each/per mound.

- Treat new mounds as they appear.
- For best results, apply when ants are active. Applications made under prolonged hot and dry conditions may be ineffective due to location of ants deep in nest.
- Try not to disturb mounds while treating.
- Repeat treatment if ants reappear.

END OF OPTION 2

[Reentry icon ]: Do not allow people or pets to enter treated area until dusts have settled.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Keep pesticide in original container. Store in a cool, dry place, preferably in a locked storage area
PESTICIDE DISPOSAL AND CONTAINER HANDLING: If empty: Nonrefillable. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Notice: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not used in accordance with directions.
