Dust Ingredients.....99.0%

O,O-dimethyl phosphorodithioate of diethyl-  
succinate

USDA Let. No. 111-64

(1 1/2-oz. can)

CAUTION

(4-oz. can)

KEEP AWAY FROM CHILDREN

Avoid prolonged breathing of dust.  
Do not contaminate food or feed products.

DIRECTIONS FOR USE

For the control of head and body lice on humans, apply by means of a  
hand or power blower, Malathion Premium Grade 1 1/2 Dust to hair, cap,  
sleeves, the back through the neck opening, along the creases of  
clothing, and to the crotch from front to back. Rub clothing thoroughly  
over the top, to assure maximum distribution of the dust.

One ounce of Malathion Premium Grade 1 1/2 Dust is sufficient to thoroughly  
treat an adult fully clothed. Sprinkle evenly just over hair clothing,  
sleeves and other possible louse habitats.

Repeat application at two-week intervals as needed until eradication  
has been completed.
