Net Contents:

DIRECTIONS FOR USE

Envelop insects in mist by direct spraying or use as follows:
Close all doors and windows and be sure no ventilating equipment is operating.
Remove all exposed food, liquids and household pets.

Ants, Roaches and Silverfish: Treat all areas frequented by these insects.
Pay particular attention to cracks, crevices, drainboards, sinks and cupboards.
Treat areas of possible entrance around doors, and windows. Do not overlook closets and bookcases if silverfish are a problem.

CAUTION!

Harmful if swallowed. Avoid prolonged or repeated breathing of spray mist.
Do not contaminate food or feed products.

WARNING!

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F. may cause bursting.
Never throw container into fire or incinerator.
