

METHYL PARATHION
Technical

For use only by manufacturers in the preparation of methyl parathion insecticides

CYANAMID

DANGER!
KEEP OUT OF REACH OF CHILDREN
POISON

FIRST AID: If symptoms or signs of poisoning (See Physicians Note) include blurred vision, abdominal cramps and tightness in the chest, don't wait for a doctor but give two atropine tablets (each 1/100 grain) at once.

Call a physician at once in all cases of suspected poisoning.

Remove patient immediately from the area. Remove contaminated clothing and wash the skin clean with plenty of soap and water to remove all traces of the pesticide. If swallowed, induce vomiting by giving warm salty or soapy water. Repeat until vomit fluid is clear. Have patient lie down and keep quiet.

Never Give Anything By Mouth To An Unconscious Person.

PHYSICIANS NOTE: Warning symptoms include weakness, headache, tightness in chest, blurred vision, nonreactive pinpoint pupils, salivation, sweating, nausea, vomiting, diarrhea and abdominal cramps.

TREATMENT: Give atropine intramuscularly or intravenously, 2 to 4 milligrams (3 to 6 tablets, 1/100 grain each) at once and every hour as required until pupils dilate. Twenty to 30 milligrams or more may be required during the first 24 hours. Never give morphine or phenothiazine tranquilizers. Clear chest by postural drainage. Artificial respiration or oxygen administration may be necessary. Observe patient continuously 48 hours. Repeated exposure to cholinesterase inhibitors may, without warning, cause increasing susceptibility to very small doses of any cholinesterase inhibitor.

Allow no further exposure until cholinesterase regeneration has taken place as determined by blood tests.

NOTE: Do not store or heat this product above 130°F. To prevent crystallization do not store at temperatures below 65°F. Keep container closed. Use with adequate ventilation.

DISCLAIMER

American Cyanamid Company warrants only that the material contained herein conforms to the chemical description on the label and is reasonably fit for the use therein described when used in accordance with the directions for use.

Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

American Cyanamid Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS or of MERCHANTABILITY.

BUYER assumes the risk of any use contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable by American Cyanamid Company.
