

pipes, around doorsills, window frames, screens, garbage cans, refuse areas, in attics, behind shelving, bookcases, storage areas, floor coverings and other areas where pests may be found. Repeat as necessary. Repeat treatment for floor coverings, baseboards and animal quarters not more than 2 or 3 weeks.

FURNITURE - Spray bed frames, springs, along baseboard, carpet edges, cracks and hiding places about rooms. Spray lightly to all mattress surfaces in sufficient quantity to mist the fabric.

CLOTHES MOths AND CARPET BEETLES - Brush woolens and other fabrics thoroughly prior to treatment. Spray thoroughly, especially seams and folds. Thoroughly spray interiors and containers, such as closets and cabinets and spray under carpet and other areas. Repeat every 30 days where treated items are not in moth-tight containers. Repeat otherwise as necessary. Do not wear treated clothing while wet with spray. Dry clothing before use.

CAUTION

Harmful if swallowed. Avoid prolonged or repeated breathing of spray mist. Do not contaminate food or feed products.

WARNING

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F. may cause bursting. Never throw container into fire or incinerator.
