Verwenden niet toegestaan. No use este producto. A utilizar la etiqueta le haya sido explicada ampliamente.
Do not use in areas where English is not spoken. Do not use this product until the label has been fully explained to you.

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes.

NOTE TO FORMULATORS: Refer to the following companies for CYANAMID SYSTEMIC Insecticide Formulation Material for information on formulation, medical toxicology, and other technical data.

For information on necessary equipment, contact the following companies and follow instructions:

WARNING: DANGER: POISONOUS WHEN SWALLOWED. Avoid breathing vapor. Keep container closed. Use only with adequate ventilation. Concentrated material may cause eye irritation. Avoid contact with skin or eyes. Wash thoroughly after handling. Do not contaminate food or food products. Do not use, pour, spill or store near open flame.

FIRST AID

If swallowed, induce vomiting by sticking finger down throat or by giving soapy or strong salty water to drink. Repeat until vomit is clear. Call a physician. Never give anything by mouth to an unconscious person.

In case of contact with eyes, flush eyes with clean water for at least 15 minutes and get medical attention.

NOTE TO PHYSICIANS: This product is a cholinesterase inhibitor. Atropine is antidotal. Pralidoxime chloride (2-PAM) or 2-PAM chloride may be effective as an adjunct to atropine. Refer to label directions.

DISPOSAL OF PUMP: In the event of a spill, wash with water, use of detergent and 2 pounds of live earth to absorb and cover all surfaces and let stand for at least 24 hours. Then spray thoroughly several times with water. Do not use for any other purpose.
