

# FOR USE IN ORNAMENTALS

ACCEPTED

JUN 23 1992

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 241-340

OBSERVE ALL PRECAUTIONARY STATEMENTS AND LIMITATIONS IN THE PENDULUM WDG HERBICIDE LABEL AND ON THE TANK MIX PARTNER LABELS BEFORE USING. FOLLOW THE DIRECTIONS FOR USE, STORAGE AND DISPOSAL, MIXING DIRECTIONS, APPLICATION RATES AND PRECAUTIONS THAT APPEAR ON ANY PRODUCT LABEL.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This label must be in the possession of the user at the time of herbicide application. DO NOT apply this product through any type of irrigation system.

## ENVIRONMENTAL HAZARDS

This product is toxic to fish. DO NOT apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Drift

and runoff from treated areas may be hazardous to aquatic organisms in adjacent aquatic sites. DO NOT contaminate water when disposing of equipment washwaters.

## GENERAL INFORMATION

PENDULUM WDG herbicide provides preemergence control of most annual grasses and certain broadleaf weeds as they germinate in and around listed established landscape, field, and container grown ornamentals.

## NEW RECOMMENDED SPECIES (Do not use in California)

### TREES

<u>Common Name</u>	<u>Scientific Name</u>	<u>Common Name</u>	<u>Scientific Name</u>
