

FOR USE IN CABBAGE**FOR DISTRIBUTION AND USE ONLY IN WISCONSIN**

OBSERVE ALL PRECAUTIONARY STATEMENTS, LIMITATIONS, APPLICATION INSTRUCTIONS AND ROTATIONAL CROP RESTRICTIONS IN THE TRI-4 HF LEAFLET LABEL BEFORE USING. FOLLOW THE MOST RESTRICTIVE USE PRECAUTIONS, OR DIRECTIONS FOR APPLICATION THAT APPEAR ON ANY PRODUCT LABEL.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. DO NOT apply this product through any type of irrigation system.

This label must be in the possession of the user at the time of herbicide application. Review TRI-4 HF leaflet label just prior to follow crop planting.

Refer to the TRI-4 HF leaflet label for specific use directions regarding weeds controlled, soil preparation, soil texture classifications, mixing, spraying, application, incorporation, liquid/dry fertilizer compatibility determination, and disclaimer.

A good soil preparation is essential for best results: destroy existing weeds before application. For best results TRI-4 HF must be incorporated within 24 hours after application.

In bedded culture. For effective weed control in bedded culture the product should be incorporated in to the top 2 to 3 inches of the final seedbed. Knock off beds to planting height before application and incorporation on bedded ground. Avoid removal of treated soil from the seedbed before or during the planting operation. This will expose untreated soil and allow weeds to germinate in the drill row.

For cabbage transplants, apply TRI-4 HF and incorporate before transplanting.

For direct-seeded cabbage, apply TRI-4 HF and incorporate before planting. Direct-seeded crops have exhibited marginal tolerance to recommended rates. Stunting or reduced stands may occur.

Use the following rates where the average rainfall per year is a minimum of 25 inches.

Soil Texture	Broadcast rate/acre	
	Transplants	Direct-Seeded
Coarse	1 pt	1 pt
Medium	1 1/2 pts	1 pt
Fine	2 pts	1 1/2 pts
2 to 5% organic matter	1 1/2 pts	1 1/2 pts
5.1 to 10% organic matter	2 pts	---
