<p>WHAT IT DOES</p>	<p><i>[Optional Illustration of grassy, broadleaf and woody weeds]</i> Kills & prevents all types of (tough) weeds & grasses</p>
<p>HOW IT WORKS</p>	<p>IMPORTANT: To prevent new weeds and grasses from growing YOU MUST SPRAY THE ENTIRE AREA you want to control (keep free of weeds), NOT JUST the emerged (existing) weeds.</p> <p>Roundup Extended Control works two ways:</p> <ol style="list-style-type: none"> 1. One ingredient enters plants through foliage and moves systemically to the roots, killing weeds by stopping the function of a substance found in plants (but not in humans or animals). Weeds begin to (yellow and) wilt within hours (24 hours) with complete kill in 1 to 2 weeks. 2. The other ingredient provides an invisible barrier in the soil that prevents growth of sprouting (new) weeds (weed seeds) and grasses for up to 4 (2, 3) months!
<p>WHERE TO USE</p>	<p>Apply (spray) Roundup Extended Control to BOTH existing weeds and weed-prone areas where weeds have not yet appeared.</p> <ul style="list-style-type: none"> • On cracks and crevices in driveways, sidewalks, walkways (tennis courts) and patios • Along fences, foundations, curbs, retaining walls, and edge of lawns • Around the base or in mulched beds of well-established (at least 6 months old) (ornamental) plants, shrubs or trees • On gravel areas • <i>[OPTIONAL TEXT]</i> Decorative rock (mulch) or bark landscapes • <i>[OPTIONAL TEXT]</i> On walkways, driveways, gravel pathways, (RV and boat) parking areas, and brick patios
<p>WHERE NOT TO USE</p>	<ul style="list-style-type: none"> • DO NOT SPRAY plants or grasses you like - they will die. • DO NOT USE in lawns or for lawn renovation as Roundup Extended Control prevents desirable grasses from growing too. • DO NOT USE for vegetable garden preparation or in and around fruits and vegetables. • DO NOT SPRAY around young plants or in an area that will be planted or seeded within 4 (1, 2, 3) months. <p>Note: For weed control in these areas use Roundup Weed & Grass Killer Ready-To-Use (Roundup Weed & Grass Killer Ready-To-Use Plus).</p>
<p><i>[Re-entry Icon]</i></p>	<p>To prevent tracking product to unintended areas such as your yard, keep people and pets out of treated areas until spray has dried.</p> <p><i>[ALTERNATE TEXT]</i> People and pets may enter treated area after spray</p>
