SAFE FOR SEPTIC TANKS – Do Not Use on Porcelain Surfaces
DIRECTIONS FOR USE

SANITIZING TOILET BOWLS:

- 1 – Saturate the swab mop with VITRO SHEEN.
- 2 – Clean under the rim of bowl and progress downward.
- 3 – Clean bottom and top of seat with damp swab mop.
- 4 – Flush, rinsing swab in the running water.
- 5 – To deodorize toilet bowls, add two ounces of VITRO SHEEN to water in bowl.

SANITIZING URINALS:

- 1 – Saturate swab mop with VITRO SHEEN.
- 2 – Start at top of urinal and progress downward.

**PREPARATION OF A DISINFECTANT SOLUTION
FOR TOILET BOWLS AND URINALS**

Remove residual water from bowl by expelling over trap. Dilute one part of VITRO SHEEN with forty parts of water. Apply this solution liberally with swab mop to areas to be disinfected. Next swab with a fresh solution of VITRO SHEEN for disinfection of cleaned areas.

DANGER: Keep Out of Reach of Children. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
