COMBUSTIBLE MIXTURE

NET CONTENTS 12.5 FL. OZ.

P.C.E. RONNEL FORMULA 210

ACTIVE INGREDIENTS		100%
Fluoromethoxy (0.12-1.5) Triphenyl Phosphorothioate *	99.0	
Pyrethrins	1	
** Technical Piperonyl Butoxide	15	
Petroleum Distillate	91.75	

* U.S. Patent No. 2,599,110
** U.S. Patent No. 2,599,110

DIRECTIONS: Spray infested surfaces only until wet.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS

Spray heavily in all cracks, around baseboards and other places where the insects hide. Also spray until wet, surfaces behind and beneath cabinets, drinking fountains, refrigerators, stoves, etc. Use on other localized areas infested with these pests. Repeat treatment as required.

CAUTION: Do not use in edible areas or areas where food is prepared or processed. Do not use in service areas where food is exposed.

FLIES, MOSQUITOES, WASPS, AND FLYING MOTHS OUTDOOR

For outdoor use, only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter the room. Also treat surfaces around light fixtures, porches, swimming pool forms, drainage, and other places where these insects might be caught.

CAUTION: Harmful if swallowed. Keep out of reach of children. Avoid contamination of food and foodstuffs. Avoid contamination and skin contact. Wash thoroughly after using. Do not use on children and pets. Do not use near open flame. Remove from area if children or pets are present.

CAUTION: Do not use in areas where children or pets are present. Do not use by perforating paper and do not use in areas where children or pets are present.

"To be kept in a secure place to prevent access by children"

is a blend of potent insecticidal soap. Kills the lice, fleas, ticks, mites, and flies.

Active Ingredients:

Gamma Isomer of Benzene Hexachloride from

Lindane 0.50% w/w

Oil of Wintergreen 2.00% w/w

Coconut Oil Soap Anhydrous 35.00% w/w

Inert Ingredients 62.50% w/w

Contains 42% active cleaning agents.

DIRECTIONS: Wet dog thoroughly. Pour a small portion of Pest Off Shampoo into palm of hand and apply to dog's head. Scrub briskly to form a good lather. Always bathe dog with Pest Off Shampoo by starting at head of animal and work back. Allow lather to remain on dog for about five minutes and rinse. For residual effect re-lather dog and rinse lightly.

Pest Off Shampoo, in most areas, may be diluted with an equal amount of water and still retain enough effective ness to kill fleas and ticks.

CAUTION: Do not use on cats or animals less than three months of age. For external use only. Wash hands in plain soap and water after using. Harmful if swallowed. Keep out of reach of children. May be absorbed through skin. Avoid contact with dogs eyes.

Do not reuse empty container. Destroy it by perforating or crushing. Buy or discard in a safe place away from water supply.
