# vaporizing spray

## CONCENTRATED

**KILLS: AMERICAN ROACHES, GERMAN ROACHES, GERMAN CRACKLEBOARDS, MEXICAN ROACHES, ORIENTAL ROACHES, MOSQUITOES AND ADULT MOTHS.**

### ACTIVE INGREDIENTS

1. DDT (Dichloro-Diphenyl-Dimethyl Ether) 100%  
2. Pyrethrin 100%  
3. Permethrin 100%

This insecticide contains ingredients that have high potency to German roaches, American roaches, Oriental roaches, flies, mosquitoes and adult moths.

This insecticide is particularly suited for use in food processing plants, food storage compartments, dairies and other places where food products are stored or handled due to its high insecticidal effectiveness when used as directed. Do not apply directly on food or food materials.

### Directions for Use

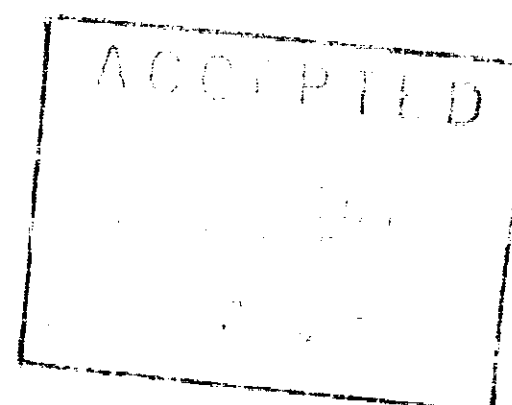

#### For Roaches

Apply to cracks and crevices, under sinks, behind stoves, and in other areas where roaches are known to hide.

#### To Kill

Keep Space Closed For

CAUTION: HARMFUL OR FATAL IF SWALLOWED

Small, faint text at the bottom of the page, likely a manufacturer's name or address.
