BALTIMORE, MARYLAND 21231  
LOS ANGELES, CALIFORNIA 90013  
SOLD THROUGH DISTRIBUTORS ONLY

Made especially for institutional, industrial and Restaurant use and wherever food is handled, such as BAKERIES, BREWERIES, DAIRIES, CANNERIES, MARKETS, MEAT PACKERS, STORES, RESTAURANTS, HOTELS.

Where food is handled or processed, treatment should be limited to times when the establishment is closed or not in operation and food should be covered or removed during spraying. Working surfaces should be cleaned before reuse.

**TO SPRAY:** Remove cap. Hold can upright, point valve opening away from person. Press valve to release spray. Hold tank 4 feet from all surfaces.

**FLYING INSECTS: FLIES, FRUIT FLIES, FLYING MOTHS, MOSQUITOES, GNATS**—Direct spray in upward sweeping circular motion 5 to 6 seconds in an average room 1000 cubic feet. For best results, keep windows and doors closed 10 to 15 minutes after spraying. **WASPS, HORNETS**—Double above dosage.

**CRAWLING INSECTS: ROACHES, SILVERFISH, WATERBUGS, FLEAS, ANTS**—Aim spray directly at insects where possible. Spray into cracks and crevices, especially under sink, stove, cabinets, refrigerator and damp dark hiding places. Repeat as necessary.

**FLEAS:** Treat rugs, floors and animal sleeping quarters. Repeat as necessary.

**ANTS:** Spray rails around windows and door sills, cracks in floor, baseboard and walls. Repeat as necessary. **BEDBUGS:** Spray bed frame, springs, mattress, tufts, seams and all cracks and hiding places about the bedroom.

**CAUTION:** Keep nozzle at least 3 feet from surfaces to avoid possible staining. Do not spray directly on plastics or asphalt tile.

Do not puncture or incinerate. Do not use near heat or store at temperatures above 120° F. Do not spray near eyes. In case of contact flush eyes with plenty of water for 15 minutes. Get medical attention if required. Do not contaminate food or foodstuffs.

**ACTIVE INGREDIENTS:** Pyrethrin, 0.10%; Technical Piperonyl Butoxide\* 0.60%; N-Octyl Bicyclohexane Di-carbamide 1.00%; Petroleum Distillates 16.10%

**INERT INGREDIENTS:** 80% TOTAL 100.00%

\* Equivalent to 0.48% Ethy carbonyl 6-propylpiperonyl ether and 0.12% other related compound. 5002-NO. 701-2/66

Made Only for Industrial and Institutional Use.
