Keeps fixtures sparkling. Cleans Urinals quickly and safely. No odors or fumes. Removes Scale, Rust, Calcium Deposits and Discolorations from Toilet Bowls, Urinals, Shower Stalls, Bath Tubs, Drinking Fountains, Wash Basins, Swimming Pools, Stainless Steel, Chrome and Monel, as well as tarnish from brass.

Noninjurious to most Metals, Porcelain, Tile, Enamel and Hands when used as directed. Harmless to Septic Tanks when used as directed.

DIRECTIONS

FOR DAILY CLEANING OF TILE, PORCELAIN, Enamel, Painted, Lacquered, varnished surfaces: Dilute with 2 parts of water. After cleaning surface, rinse with water, or go over area with a wet cloth or sponge.

FOR URINALS: Flush and apply cleaner to swab or brush and rub the stains or discoloration away. To remove odor in trap, pour 2 ounces into urinal and allow to remain for as long as possible. To disinfect urinal surfaces pour small amount on mop and swab thoroughly, then rinse with water.

FOR TOILET BOWL CLEANING: Flush Toilet and remove as much water as possible by plunging. Apply with Swab or Brush until rust and stains are removed. Then rinse by flushing. Clean upper part of bowl, also under flush ring at water outlets. To disinfect bowls, pour two ounces into bowl and swab thoroughly.

1664 7-67

FOR DAILY CLEANING OF WASH BASINS, Bath Tubs, Shower Stalls, Drinking Fountains: Dilute with 2 parts of water, apply with soft cloth, swab or brush. Rinse with water after cleaning and dry.

FOR UNPOLISHED MARBLE & TERRAZZO: Dilute 1 part with 3 parts of water. Allow to remain on surface for a few minutes. Rinse well with water.

FOR DAILY CLEANING OF STAINLESS STEEL Equipment, Coffee Urns, Counter Tops, Refrigerators: Dilute with 3 parts water and apply with a soft cloth or brush. Rinse thoroughly.

CAUTION:

Keep Out of Reach of Children.

Harmful if swallowed.

Do not breathe vapor or fumes.

May produce irritation.

Avoid getting in eyes, on skin, or on clothing.

In case of contact flush eyes with plenty of water for 15 minutes. Get medical attention if required.

If stinging of skin is felt, wash with soap and water, apply lanolin skin cream or lotion. Never allow material to contact soft flooring, fabrics, painted or varnished surfaces. Avoid prolonged contact on plated plumbing fixtures (e.g. chrome, nickel). After use immediately rinse with clear cold water.
