MANUFACTURED BY

FULD BROTHERS, INC.

BALTIMORE, MARYLAND 21231

LOS ANGELES, CALIFORNIA 90013

SOLD THROUGH DISTRIBUTORS ONLY

NOTICE: This is a strong acid type liquid cleaner, and must be used only according to directions. Read direction labels carefully before using. Note cautions required. Removes Rust and Lime Stains, Scum, Scale, Filth and Discoloration from Toilet Bowls, Urinals and all Vitreous Ware. Cleans Skylights and Descalers Sterilizers.

DIRECTIONS

CLEANING CLOSET BOWLS: Pour about two ounces around edge of bowl. Let remain few minutes. Then swab with a bowl mop up under flush ring and around inside surface. By placing a small mirror under the flush ring, inspect the affected surfaces, and if all incrustations and discolorations have not been removed, repeat the operation if necessary until cleaned. After cleaning, rinse bowl thoroughly by flushing.

MAINTAINING CLEAN BOWLS: To keep bowl clean and disinfected, pour 2 ozs. into bowl daily. Swab solution under flush ring and on inside surfaces.

TO CLEAN FLOORS AROUND BOWL: For hard surfaced floors only. Never use on resilient floors. Sprinkle a few drops on floor. Brush well. Flush with water on mop or brush.

CLEANING URINALS: Remove protecting screen. Pour about 8 ounces around pipe edges. Let remain short time. This cleaner is heavier than water. Let it stay in trap short time to remove scale. Then flush.

CLEANING URINAL FLUSH RING: Use same method as closet bowls.

MAINTAINING CLEAN URINALS: Pour small amount in drain pipe and apply to flush ring regularly. Always rinse.

After cleaning, rinse bowl thoroughly by flushing.

MAINTAINING CLEAN BOWLS: To keep bowl clean and disinfected, pour 2 ozs into bowl daily. Swab solution under flush ring and on inside surfaces.

TO CLEAN FLOORS AROUND BOWL: For hard surfaced floors only. Never use on resilient floors. Sprinkle a few drops on floor. Brush well. Flush with water on mop or brush.

CLEANING URINALS: Remove protecting screen. Pour about 8 ounces around pipe edges. Let remain short time. This cleaner is heavier than water. Let it stay in trap short time to remove scale. Then flush.

CLEANING URINAL FLUSH RING: Use same method as closet bowls.

MAINTAINING CLEAN URINALS: Pour small amount in drain pipe and apply to flush ring regularly. Always rinse.

FOR CLEANING SKYLIGHTS: Dilute this product with equal parts of water. Then rinse with clear cold water. Then wash surface with scubbing soap and water.

FOR DESCALING STERILIZERS: Dilute this product with 8 parts of water. Cover scale with this solution and apply heat. Allow solution to remain in contact with surface not in excess of 30 minutes. Then flush surface several times with clear cold water.

CAUTION:

CONTAINS HYDROCHLORIC ACID CAUSTIC. May be fatal if swallowed. Produces chemical burns. Do not breathe vapor or fumes. Do not get in eyes, on skin, or on clothing. Do not use on any surface except vitreous ware. Store in cool place. Keep away from heat.

ANTIDOTE: Call physician immediately. **INTERNAL.** Drink a teaspoonful or more of magnesia, chalk or small pieces of soap softened with water, in milk or raw egg white.

EYES: Wash with water for 15 minutes. Get prompt medical attention.

EXTERNAL: Wipe off the acid gently, immediately flood with water, using soap freely, then cover with moist magnesia or baking soda.
