DIRECTIONS

NON FLAMMABLE

TO SPRAY: Remove cap. Hold can upright, point valve
away from person. Press valve to release spray. Hold 1 ft.
from all surfaces.

FLYING INSECTS: FLIES, FRUIT FLIES, FLYING MOTHS, W. I. QUITOES, GNATS — Direct spray in upward sweeping circular motion, thoroughly misting the room with the spray. For best results, keep windows and doors closed 10 to 15 minutes after spraying.

WASPS, HORNETS — Double above dosage.

CRAWLING INSECTS: ROACHES, SILVERFISH, WATERBUGS, FLEAS, ANTS — Aim spray directly at insects where possible. Spray into cracks and crevices, especially behind sink, stove, cabinets, refrigerator and damp dark hiding places. Repeat as necessary. **FLEAS:** Treat rugs, floors and animal sleeping quarters. Repeat as necessary. **ANTS:** Spray trails around windows and door sills, cracks in floor, baseboard and walls. Repeat as necessary.

BEDBUGS: Spray bed frame, springs, mattress, tufts, seams and all cracks and hiding places about the bedroom.

TO KILL CLOTHES MOTHS AND CARPET BEETLES: Spray in crevices and under articles thoroughly, especially around seams and folds. Interior surfaces of all storage containers should be thoroughly sprayed. Repeated applications should be made every three days if clothes are not stored in moth tight containers.

Where food is handled or processed, treatment should be limited to times when the establishment is closed or not in operation and food should be covered or removed during spraying. Washing surfaces should be cleaned before re-use.

CAUTION: CONTENTS UNDER PRESSURE

HARMFUL OR FATAL IF SWALLOWED. Contains Petroleum Distillates. If swallowed, do not induce vomiting. Call physician immediately. Do not pump or use under heat. Do not use near heat or flame at temperatures over 120°F.

Do not spray near eyes. In case of contact, flush eyes with plenty of water for 15 minutes. Get medical attention if required. Do not spray on or near children. Do not use on or near animals. Do not spray on or near birds.

Do not contaminate feed or food crops. Do not spray on or near plants or animals.
