MIW #2 PRESSURIZED INSECTICIDE SPRAY

DIRECTIONS FOR USE

For Industrial Use Only
In Meat Packing Plants, Bakeries and Certain Other Food Processing
Plants

To Kill Houseflies, Mosquitoes, Flying Nests and Gnats, Accessible
Flying Forms of Grain Infesting Insects (such as Confused Flour
Beetle, Angoumois Grain Moth, Mediterranean Flour Moth, Indian
Meal Moth and Others, Accessible Flying Forms of Stored Product
Pests (such as Carpet Beetles, Tobacco Moth, Drug Store Beetle,
Poa Weevil and Others): Close all doors and windows. Determine
the number of cubic feet of space to be treated. Point nozzle
upward and direct to all parts of the area to be treated. Fog
particularly well in areas in which insects are most likely to
congregate or rest. Fog at the rate of 3 seconds per 1,000
cubic feet of space.

ACTIVE INGREDIENTS		15.00%
Pyrethrins	0.20%	
Technical Piperonyl Butoxide*	1.00%	
Petroleum Distillates	13.80%	
INERT INGREDIENTS		85.00%
Total		100.00%

Keep the treated area closed if possible for 15 minutes. After
treatment, air out thoroughly and sweep up and remove dead in-
sects. In industrial locations, do not spray closer than 36
inches away from fabrics or upholstery. Spraying closer than
above or excessive treatment may cause damage.

*Consists of (0.8%) butylcarbityl(3-propylpiperonyl) ether
and (0.2%) related compounds.

IMPORTANT: Do not apply directly on food. Cover or remove all
food and food processing equipment during application. Do not
apply while food processing is under way. After spraying in
meat packing plants, bakeries and other food processing plants,
wash with potable water all benches, shelving, etc. where ex-
posed food will be handled. In case washing is impractical, do
not allow food to come in contact with heated surfaces for at
least 48 hours.

CAUTION: Keep Out of Reach of Children
Contents Under Pressure
Read Precautions on Back Panel

Net Contents:

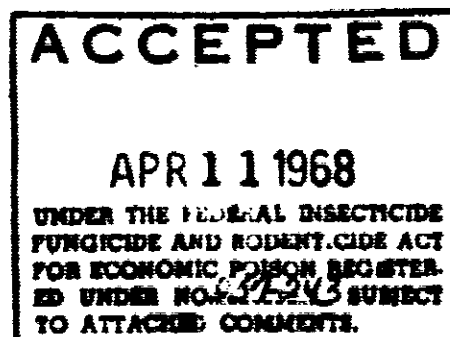

USDA Reg. No. 257-

Manufactured by
FULD BROS., INC.
Baltimore, Maryland 21231 Los Angeles, California 90013

CAUTION

KEEP OUT OF REACH OF CHILDREN

Avoid prolonged or repeated breathing of vapor. Avoid prolonged
or repeated contact with skin. Contents under pressure. Do not
