This formulation gives rapid kill of such crawling insects as ants, brown dog ticks, clover mites, crickets, earwigs, fleas, millipedes, roaches, saw-toothed grain beetles (exposed stage), scorpions, silverfish, sowbugs, spiders, hornets and wasps.

DIRECTIONS FOR USE

General: Spray surfaces to wetting. Point spray away from people, plants and pets.

Indoor Use: ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS, SAW-TOOTHED GRAIN BEETLES (EXPOSED STAGE), WATERBUGS: Spray into cracks, crevices, around baseboards and other places where insects hide.

Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. Repeat as needed. Do not spray foodstuffs or house plants. For ants, spray trails and places where ants enter premises. Do not allow children to contact treated surfaces until surfaces are completely dry.

BROWN DOG TICKS: Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

Outdoor Use: ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEAS, MILLIPEDES, SOWBUGS, BROWN DOG TICKS, HORNETS AND WASPS: Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation. For controlling hornets and wasps, apply after dark when all of the insects have returned to the nest.

CAUTION

Keep Out of Reach of Children

May be harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should also be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils, and food preparation areas. Remove pets and cover fish bowls before spraying. If illness occurs, get prompt medical aid.

To Physician - Atropine sulfate is antidotal.

Do not spray into or near open flame.

Keep container away from stoves, radiators or other hot surfaces. Temperatures exceeding 120°F. may cause the container to burst. Do not puncture or incinerate.

Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor covering. Before using on fabrics, wallpaper and certain floor tiles, test spray in an inconspicuous area to avoid staining.
