LOS ANGELES, CALIFORNIA 90013

This product is a heavy duty cleaner and disinfectant designed for general purpose use, where heavy duty cleaning is of prime importance. When used as directed, it will remove most household dirt and grime in a single simple application. When used for industrial cleaning, follow the use directions shown below, for best results. Not recommended for pseudomonas.

DANGER

Keep out of reach of children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

USE DIRECTIONS:

For light duty cleaning, dilute to one ounce per gallon.

For heavy duty cleaning and disinfection, use full activity against walling, ceiling, floor, and wall paper.

For best results, use the product in a well-ventilated area. Wash floors and other hard surfaces of hard wood equipment with water after use. Rinse with clean water.

Use a second application.

Do not mix with other disinfectants.
