Attention: W. Thomas Ruckle

Gentlemen:

Subject: Deodorizer Disinfectant Cleaner
EPA Registration No. 257-310
Your Submission Dated November 19, 1987

The labeling referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable and a stamped copy is enclosed for your records.

At the printing of the next set of labels add the following misuse statement after the DIRECTIONS heading.

It is a violation of Federal law to use product in
-a-manner inconsistent with its labeling.

If you have any questions concerning this letter, please call Mr. Robert Young at (703) 557-3966.

Sincerely yours,

John H. Lee
Product Manager (31)
Disinfectants Branch
Registration Division (TS-767C)

DIRECTIONS

Deodorizer-Disinfectant-Cleaner is concentrated and must be diluted before using. It is not compatible with soap or anionic detergents.

Deodorizer-Disinfectant-Cleaner is designed for use on hard surfaces such as floors, walls, ceilings, equipment and fixtures in areas such as operating rooms, clinics, isolation wards, nurseries, rest rooms, locker rooms, and showers.

TO DISINFECT AND CLEAN: Mix 2 ounces Deodorizer-Disinfectant-Cleaner to 1 gallon water. Wet surface thoroughly by mop or cloth. In instances where surfaces are heavily contaminated with soil and/or organic matter, apply solution twice to insure disinfection.

TO DEODORIZE AND CLEAN: Mix 1 ounce Deodorizer-Disinfectant-Cleaner with 1 gallon water. Apply by mop or cloth.

DANGER: KEEP OUT OF REACH OF CHILDREN. Do not get in eyes; causes eye damage. In case of contact with eyes flush thoroughly with water and get medical attention. Harmful if swallowed. Do not reuse container.

Made for Industrial & Institutional Use Only

SOLARINE DEODORIZER DISINFECTANT CLEANER

A powerful deodorizer and disinfectant. A liquid disinfectant synthetic detergent cleaner. Odorless in use. Recommended for deodorizing, disinfecting and cleaning in hospitals, schools, and public places where cleanliness, odor and bacterial control are essential.
