SEP 10 1993

Attn: Thomas Ruckle

Subject: S'Gone Disinfectant  
EPA Registration No. 257-311  
Amendment dated June 21, 1993

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.

a. On the back panel, change the heading "Directions" to Directions For Use" and include the misuse statement "It is a violation of Federal Law to use this product in a manner inconsistent with its labeling" immediately below the "Directions For Use" heading.

b. On the back panel, revise the precautionary statements to read:

Precautionary Statements.

Hazards to Humans and Domestic Animals  
Warning. Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful If Swallow. Avoid contamination of food. Rinse thoroughly with potable water if used on food contact surfaces.

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. If swallowed, drink large quantities of water. Avoid alcohol.

CONCURRENCES							
SYMBOL							
SURNAME							
DATE							

PHYSICAL AND CHEMICAL

Contents under Pressure. Do not use or store near heat or open flame. Do not puncture, or incinerate container. Exposure to temperatures above 130°F may cause bursting.

c. Revise the referral statement to read: " See back panel for additional precautionary statement".

d. On the front panel the child hazard warning statement "Keep Out of Reach of Children" and the signal word "Danger" must be placed immediately below the ingredient section.

e. Refer to the enclosure "THE LABEL" for proper placement for the above items (a thru d).

2. We have adjusted our records to reflect the following product name change.

OLD NAME: New Solarine Disinfectant Foam Cleaner

NEW NAME: S'Gone Disinfectant

3. Submit five (5) copies of final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 305-6982.

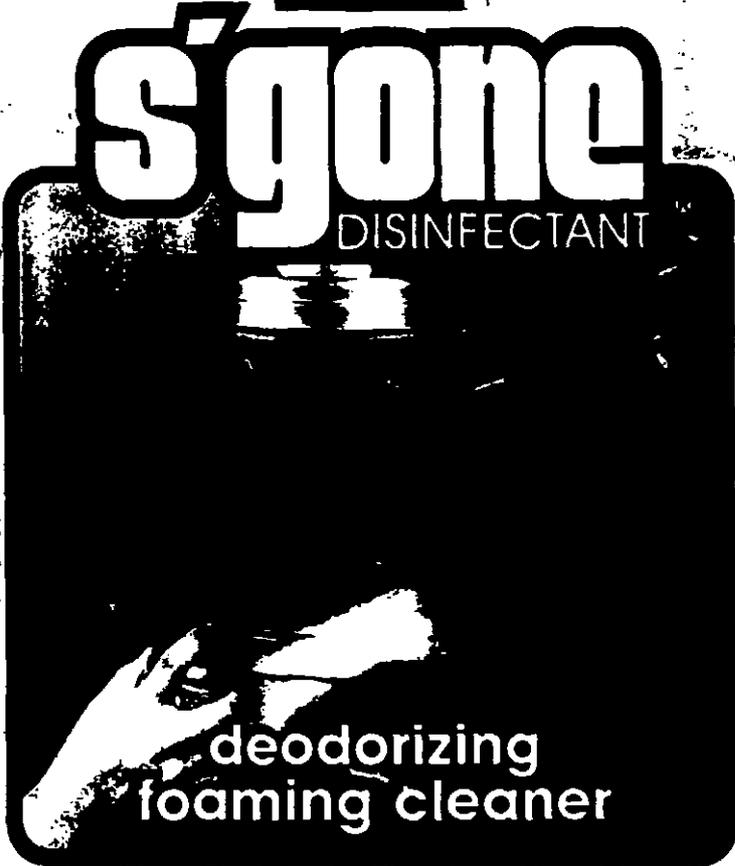

Sincerely,

John H. Lee   
Product Manager 31
