AUG 27 1985

Us for the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 257-340

**INHIBITS THE GROWTH OF MOLD AND MILDEW
ON HARD NON-POROUS SURFACES
KILLS HOUSEHOLD GERMS**

This spray product has a revolutionary spray system which allows only the formulated product to come into contact with the surface. Like Magic Spray Disinfectant never comes in contact or mixes with any gaseous propellant. No propellant gases are emitted into the atmosphere, only the formulated product.

SPRAY DISINFECTANT AND AIR DEODORANT

Disinfects and deodorizes surfaces through effective bactericidal and fungicidal activity. Kills Staph. Aureus, Strep. Hemolyticus, Pseudomonas aeruginosa, Tubercle bacilli, Salmonella choleraesuis and Trichophyton interdigitale tinea's foot fungi on hard surfaces. Controls odors.

Sprayed on Surfaces: Deodorizes by disinfecting. Germicidal activity kills most odor-producing organisms. Disinfects Staph. and Strep. organisms on hard, non-porous surfaces. Inhibits the growth of mold and mildew on hard, non-porous surfaces.

Sprayed in the Air: Controls unpleasant odors. Pleasantly scented. For use in hospital rooms, sick rooms, doctors' examining rooms, kitchens, nursery and bedrooms.

DIRECTIONS FOR USE: Shake well before using.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For Surfaces: Clean surfaces prior to application. Hold can upright and spray from a distance of 8 to 8 inches until area for treatment is thoroughly moistened. Allow to dry.

To Control the Growth of Mold and Mildew on Hard, Non-Porous Surfaces: Clean surfaces prior to application, then spray surface until thoroughly moistened. Allow to dry. Repeat application in 7 days.

For Deodorizing the Air: Direct spray upwards, toward center of room for 3 to 5 seconds.

For Use On: Walls, floors, bedframes, bedpans, urinals, furniture, fixtures, containers, toilet seats, diaper pails, instrument trays, examining tables. Spray telephone and similar bedside equipment not easily subject to normal disinfecting procedures.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Avoid contamination of food and food utensils. Causes eye irritation. Avoid getting into eyes. In case of contact, wash thoroughly with water. If irritation persists, get medical attention. Avoid inhalation of spray mist and contact with the skin.

Do not spray on polished wood, furniture or rayon fabrics.

STORAGE

Store in a cool area away from heat or open flame. Do not reuse empty container.

DISPOSAL

Replace cap and discard container in trash. Do not incinerate or puncture.
