100.0%

Keep Out of Reach of Children

## DANGER:

May cause damage and skin irritation. Do not get in eyes, on skin or  
clothing. Wear goggles or face shield and rubber gloves when handling.  
Avoid contamination of food.

**First Aid Practical Treatment:** In case of contact, immediately flush eyes  
or skin with plenty of water for at least 15 minutes. For eyes, call a physician.  
Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of egg whites, gelatin solution or if  
these are not available, drink large quantities of water. Avoid alcohol. Call a  
physician immediately.

**NOTE TO PHYSICIAN:** Probably mucosal damage may contraindicate the use  
of gastric lavage. Measures against circulatory shock, respiratory depression  
and convulsion may be needed.

Made Exclusively By.
