RIGHT PANEL:

WARNING: Keep away from humans, domestic animals and pets. If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. In such cases, intravenous and oral administrations of Vitamin K (combined with bisulfite solutions) may be indicated as in the case of hemorrhage caused by overdoses of bisulfite coumarin.

CAUTION: Use only in accordance with the label directions and do not use on all animals of this class. Call a physician immediately!

WARNING: The use of this material being hazardous, it is sold only by express warranty, express or implied, as to the efficacy of the material, and for use only in accordance with the label directions.
