---

## Controls Canada thistle quackgrass, and other tough perennial weeds.

---

**CAUTION:** Keep out of reach of children. See other cautions on right panel of label.

---

**ACTIVE INGREDIENT:**

Amitrole (3-amino-1,2,4-triazole) ..... 50%

INERT INGREDIENTS: ..... 50%

**AMCHEM PRODUCTS, INC.**

First Name in Herbicide Research

AMBLER, PA. ■ Clinton, Iowa ■ St. Joseph, Mo. ■ Fremont, Calif.

EPA Reg. No. 264-68-AA

### CAUTION

Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Do not take internally.

Do not spray or allow spray drift to contaminate edible crops or water used for irrigation, drinking or domestic purposes. No chemical residue in crops is permitted. Spray drift from this product may injure cotton, tomatoes, ornamentals, lawns or other desirable vegetation. Coarse sprays are less likely to drift.

Do not store near fertilizers, seeds, insecticides or fungicides or use in a greenhouse. Keep livestock off treated areas.

Do not use same sprayer for other purposes unless thoroughly cleaned. To clean sprayer, rinse all parts of sprayer several times with clear water.

Do not reuse container. Bury in safe place. Do not burn.

Do not use this product for purposes other than those recommended on this label.

### WARRANTY

Amchem warrants that composition of this product conforms to the chemical description given in the ingredient statement and the product is suited for the purpose described when used according to directions. Because of the broad range of conditions which may be encountered with the use of this product, it is impossible to eliminate all risks, even though label directions are followed. Amchem therefore makes no other express or implied warranty, and no agent of Amchem is authorized to do so. Buyer agrees in purchasing this product to assume the risks and in the event of damages, arising from a breach of the warranty to accept refund of the purchase price of the product as full discharge of Amchem's liability.

Form No. 1385H--9-71 SE Printed in U.S.A

**Weedazol in Special Combinations:**

**GENERAL DIRECTIONS**

By combining **Weedazol** with residual-type weed control herbicides, you make a mixture that provides a rapid knock-down of existing vegetation, better control of deep-rooted perennial weeds, and prevents most weed growth for one or more seasons.

**WHEN TO USE**

Apply **Weedazol** combinations anytime weeds are green and actively growing. It is not necessary to apply these combinations before weeds come up.

For control of vegetation and prevention of weeds on railroad right-of-way, apply **Weedazol** in combination with residual herbicides at the following rates:

**AMOUNTS TO USE PER ACRE**

Mixture Mixtures May Be Used
