AMOUNTS TO USE

General vegetation control:  
around buildings, driveways, storage areas, fence lines, parking lots,  
drive-in-theaters.

AMIZINE	WATER	AREA
1 cup	2 gallons	500 sq. ft. (10' X 50')
1 pound	5 gallons	2,000 sq. ft. (40' X 50')
5 pounds	25 gallons	10,000 sq. ft. (100' x 100')
20 pounds	100 gallons	1 acre

Some of the weeds controlled by recommended rates of AMIZINE:

- |                    |              |
|--------------------|--------------|
| alfalfa            | nightshade   |
| bermudagrass*      | pigweed      |
| bluegrass          | quackgrass   |
| Canada thistle     | ragweed      |
| chrysanthemum weed | smartweed    |
| crabgrass          | sowthistle   |
| dandelion          | plantain     |
| foxtail            | poison ivy   |
| johnsongrass*      | purslane     |
| kochia             | velvet grass |
| lambsquarters      | wild oats    |
| mustard            | witchgrass   |

\*Where johnsongrass, bermudagrass or other weeds are not controlled by the first application, treat again with the same rate when regrowth is 6 to 12 inches tall (about 2 months).

Weed and grass control in ornamental and forest plantings:

AMIZINE	WATER	AREA
1 cup	4 gallons	1,600 sq. ft. (40' X 40')
1 pound	15 gallons	6,400 sq. ft. (80' X 80')
5 pounds	75 gallons	32,000 sq. ft. (80' x 400')
7 pounds	100 gallons	1 acre

Note: Treat plants which have been established for one year or more. Use a directed spray to avoid contact with stem and foliage of desirable plants.

The following plant species may be treated with AMIZINE.

American beech	London plane tree
American elm	Norway spruce
Arborvitae (Thuja)	Oleander
Balsam fir	Pyracantha
Chinese elm	Red pine
Convex leaf holly	Red spruce
Dogwood	Scotch pine
Douglas fir	Silver maple
Eastern hemlock	Sycamore
Fraser fir	Viburnum
Japanese holly	White ash
Japanese maple	White spruce
Juniper	Yew (Taxus)

CAUTION: lilac, privet, honeysuckle and barberry may be injured if contacted by spray.

#### GENERAL INFORMATION AND DIRECTIONS

AMIZINE acts slowly but thoroughly. Weeds start to turn white or brown within a week and are usually dead in about three weeks. Small weeds growing actively are killed more rapidly than weeds in a dormant or dried condition.

Apply AMIZINE to small weeds in the spring or early summer, or before weeds have matured and gone to seed. It is not necessary to spray bare ground before weed growth starts in the spring.

For best results on tall weeds, cut or mow to ground line and remove. Treat one or two weeks later when regrowth appears.

In arid areas, AMIZINE should be watered into the ground if no rain falls within a week after treatment.

Mixing sprays: Add the required amount of AMIZINE to a small portion of water and mix into a paste. Then with constant stirring, add the rest of the water necessary for application. This product forms a suspension in water, not a solution. Provide continuous agitation in the spray tank.

Spray equipment: AMIZINE may be applied with a watering can, a portable pressure sprayer, a knapsack sprayer, or a motor driven pump-type sprayer. Screens in nozzles, as well as those in the suction lines, should be no finer than 50 mesh size. A Tee-jet 8002 or its equivalent fan type of nozzle has been used successfully.

AMIZINE does not corrode spray equipment, is non-flammable, and does not stain metal, stone or concrete. To clean AMIZINE from spray equipment, flush several times with clear water after each use.

Store AMIZINE in a dry place.

Keep container closed.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. Avoid contact with skin, eyes, or clothing.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

Simazine is known to leach through soil, and has been found in groundwater as a result of agricultural use. Users are advised not to apply in areas where soils are permeable; i.e., well drained, and which overlie shallow aquifers, particularly those currently being used for drinking water. Consult with the pesticide state lead agency for information regarding soil permeability and aquifer locations in your area.

Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, ornamentals, etc. Coarse sprays are less likely to drift. Do not use same spray equipment for other purposes. Do not contaminate water used for irrigation or domestic purposes. Do not use in a greenhouse.

Do not use this product for purposes other than those recommended on this label.

**STORAGE AND DISPOSAL**

Do not store near fertilizers, seeds, insecticides, or fungicides. Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE DISPOSAL**

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

### LIMITED WARRANTY AND DISCLAIMER

The manufacturer warrants (a) that this product conforms to the chemical description on the label; (b) that this product is reasonably fit for the purposes set forth in the directions for use when it is used in accordance with such directions; and (c) that the directions, warnings and other statements on this label are based upon responsible experts' evaluation of reasonable tests of effectiveness of toxicity to laboratory animals and to plants, and of residues on food crops, and v reports of field experience. Tests have not been made on all varieties or . all states or under all conditions. THE MANUFACTURER NEITHER MAKES NOR INTENDS, NOR DOES IT AUTHORIZE ANY AGENT OR REPRESENTATIVE TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, AND IT EXPRESSLY EXCLUDES AND DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

THIS WARRANTY DOES NOT EXTEND TO, AND THE BUYER SHALL BE SOLELY RESPONSIBLE FOR, ANY AND ALL LOSS OR DAMAGE WHICH RESULTS FROM THE USE OF THIS PRODUCT (A) IN ANY MANNER WHICH IS INCONSISTENT WITH THE LABEL DIRECTIONS, WARNINGS OR CAUTIONS.

BUYER'S EXCLUSIVE REMEDY AND MANUFACTURER'S OR SELLER'S EXCLUSIVE LIABILITY FOR ANY AND ALL CLAIMS, LOSSES, DAMAGES, OR INJURIES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER OR NOT BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, SHALL BE LIMITED, AT THE MANUFACTURER'S OPTION, TO REPLACEMENT OF OR THE REPAYMENT OF THE PURCHASE PRICE FOR, THE QUANTITY OF PRODUCT WITH RESPECT TO WHICH DAMAGES ARE CLAIMED. IN NO EVENT SHALL MANUFACTURER OR SELLER BE LIABLE FOR SPECIAL INDIRECT OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.
