	Greenbug And Chinch Bug Suppression	10	11	

PRE-HARVEST AND GRAZING USE INFORMATION AND LIMITATIONS:

- Do not make more than one application per year.
- Do not harvest within 90 days of application.
- Do not feed green forage to livestock.

ENVIRONMENTAL HAZARDS: The Endangered Species Act protects Attwater's Greater Prairie Chicken in the Texas counties of Arkansas, Refugio, Goliad, Austin, Colorado, Galveston, Harris, Victoria, Waller, Wharton, Fort Bend, DeWitt, and Brazoria. Users must not apply TEMIK to sorghum fields in this area.

For further information, users should contact the regional U.S. Fish and Wildlife Service office (Endangered Species Specialist) or personnel of the State Fish and Game Agency.

See acceptance letter for correct endangered species statement to be placed above.

IMPORTANT: Before using TEMIK 10G Aldicarb Pesticide, read and carefully observe the precautionary statements and all other information appearing on the product label. This bulletin contains new and supplemental directions for use of this product which may not appear on the package label. Follow the directions carefully.
