NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistration under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The appearance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name if such use has not been covered by others.

This product is conditionally registered in accordance with the provisions of section 3(c)(7)(D) of the Act, since you have agreed that you will submit and/or cite all data required for registration/reregistration of your product when the Agency is conducting registration of similar products. Provide such data.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.

Please note that you must comply with the non registration standard that was issued on August 18, 1981.
