Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). Registration is in no way to be construed as an endorsement or approval of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Amitraz Reregistration Eligibility Decision document, EPA has reregistered the product listed above. This action is taken under the authority of sec. 4(g)(2)(c) of FIFRA. Reregistration under this section does not eliminate the need for continued reassessment of pesticides. EPA may require submission of data any time to maintain the registration of your product. The labeling submitted in connection with reregistration under the FIFRA is acceptable with the following comments:

- 1) Move the statement of "Do not contaminate water, food or feed by storage or disposal" from the Pesticide Disposal to under the main heading of Storage and Disposal.
- 2) A "Note to Physician" should be added to the label if treatment can be recommended. For example, the Note to Physician on your product EPA Reg. No. 264-636 may also be appropriate for this product.

A stamped copy of the draft label "accepted with comments" is enclosed for your records. Please submit two (2) copies of your final printed labeling before you release the product for shipment. Should you have any questions, do not hesitate to contact Registration Review Manager, Dr. Akiva Abramovitch at 703-308-8328.
