Pyrethrins	0.20%
*Permethrin Butoxide, Technical	0.50%
D-n-propyl isocinchomeronate	1.00%
Butoxypropylene Glycol	20.00%
INERT INGREDIENTS	78.30%
	100.00%

*Equivalent to 0.4% (Luykerbly) (S-propylperthrin) ether and 0.10% related compounds

Keep Out of Reach of Children
CAUTION
(See back panel for additional precautionary statements)

NET CONTENTS
32 FL. Oz.
(946 ml)

NOTIFICATION

WIPE Fly Protectant provides effective, long-lasting fly protection for horses and ponies. Actually helps remove dirt and dandruff. Imparts a high gloss to the hair when brushed out. Has a light, bright, pleasing fragrance.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Before applying Wipe to your horse, brush him down thoroughly to remove loose dust and dirt.

Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an Applicator Mitt with Wipe. Rub briskly against the growth direction of the hair. Give special attention to the shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more Wipe to the applicator as needed, applying approximately one to two ounces for the total application on a daily basis (the variance will depend on the size of the horse).

Groom with a brush. To kill attached ticks, dab Wipe directly on the tick with a saturated cloth.

STORAGE & DISPOSAL

STORAGE: Store in a cool, dry place.
PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.
CONTAINER DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

A FEW IMPORTANT POINTS TO REMEMBER:

- To keep applicator moist, keep in an airtight container between uses.
- Daily applications of Wipe may build up resistance allowing a reduction in the amount used in subsequent applications.
- Apply in early morning for maximum efficacy.
- The amount of Wipe needed depends on temperature, humidity, and cleanliness of the horse's coat. Experiment with the amount applied to determine how much your horse needs.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION.

- Harmful if swallowed. Keep out of reach of children. Wash hands thoroughly after using.
- ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish. Do not apply directly to water. Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

Use only Turkish toweling or Wipe Applicator Mitt (not a substitute material) to apply Wipe. Avoid using excessive amounts of Wipe on your horse. Do not soak the skin. Do not apply to horses to be used for food.
