FARNAM HORSE PRODUCTS
 A division of Farnam Companies, Inc.
 P.O. Box 34820
 Phoenix, AZ 85067-4820

WIPE Fly Protectant provides effective, long-lasting fly protection for horses and ponies. Repels Horse Flies, House Flies, Stable Flies, Deer Flies, Gnats and Mosquitoes. Also kills them on contact. Actually helps remove dirt and dandruff. Imparts a high sheen to the hair when brushed out. Has a light, bright, pleasing fragrance.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
IF YOU SUSPECT A REACTION TO THIS PRODUCT:	<ul style="list-style-type: none"> • Discontinue use. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.</p>	
NOTE TO PHYSICIAN	
<p>Contains petroleum distillate. Vomiting may cause aspiration pneumonia.</p>	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. **Wash hands with soap and water promptly after use.**

SHAKE WELL BEFORE USING: Before applying WIPE to your horse, brush him down thoroughly to remove loose dust and dirt. Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an applicator mitt with WIPE. Rub briskly against the growth direction of the hair. Give special attention to the shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more WIPE to the applicator as needed, applying approximately one to two ounces for the total application on a daily basis (the variance will depend on the size of the horse). Groom with a brush. To kill attached ticks, dab WIPE directly on the tick with a saturated cloth. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. If

Empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

A FEW IMPORTANT POINTS TO REMEMBER:

- To keep applicator moist, keep in an airtight container between uses.
- Daily applications of Wipe may build up repellency, allowing a reduction in the amount used in subsequent applications.
- Apply in early morning for maximum efficacy.
- The amount of Wipe needed depends on temperature, humidity, and cleanliness of the horse's coat.

- Use only Turkish toweling or applicator mitt (not a substitute material) to apply WIPE. Avoid using excessive amounts of WIPE on your horse. Do not soak the skin.
