ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply directly over cuts, wounds, or irritated skin, apply only to areas around the cut, wound, or irritation [and use daily] or [repeat every day.] Do not use on animals under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or medicated animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Do not use on horses or foals intended for slaughter. Do not apply near eyes and mouth. Apply sparingly around ears. Wash hands with soap and water promptly after use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store [tightly] in original container in a cool, dry place. Protect from freezing. Store pesticides away from food, pet food, seed, fertilizers, and veterinary supplies.

Disposal: Nonrefillable. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
