

70/4
BACK LABEL (Cont)

- * Climatic conditions such as temperature and humidity and cleanliness of the horse's coat will affect the amount of repellent required to do an effective job. Because of this, you may have to experiment with the amount of WIPE P applied in order to arrive at the optimum amount needed.

STORAGE AND DISPOSAL

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies.
