PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION

For animal use only. Not for use on humans. Harmful if swallowed. If swallowed, do not induce vomiting. Vomiting may be harmful. Consult Physician. Keep out of eyes. If contact occurs wash eyes immediately with water. Avoid contamination of food or feeds. Do not use on horses intended for human consumption.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Super-Swat Fly Repellent has been developed for use full strength on horses and dogs. May be applied with the trigger spray applicator or as a wipe. Super-Swat Fly Repellent kills and repels Stable Flies, Horn Flies, House Flies, Face Flies, Deer Flies, Horse Flies, Mosquitoes and Gnats. Also kills fleas, lice and ticks.

DIRECTIONS FOR USE

This is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Do not reuse empty container except for Super-Swat Fly Repellent. Destroy it by perforating or crushing, wrap and throw in trash.

SHAKE WELL BEFORE USING

Wipe-On use for Horses: First brush hair to remove excess dirt and dust. Dampen a Farnam Applicator Mitt or cloth with 2 oz. Super-Swat Fly Repellent for horses and 1 oz. for ponies. Rub over hair with special attention to the legs, shoulders, shanks, neck and facial areas. Avoid scrotum and anus of animals. Repeat as necessary. To kill ticks, dab the ticks directly with Super-Swat P.

Spray use for Horses: First remove excess dirt and dust by brushing. Apply a light spray to the hair, paying particular attention to legs, shoulders, shanks and neck. Dampen hair. Do not soak hair or skin. Allow to dry and brush. Do not spray around head or eyes. Avoid scrotum and anus of animals. Use no more than 2 oz. for horses and 1 oz. for ponies.

Wipe-On use for Dogs: To help rid dogs of fleas and ticks, first brush hair to remove excess dirt and dust. Dampen a Farnam Applicator Mitt or cloth with Super-Swat P Fly Repellent. Rub over the hair going against the direction of hair growth and giving special attention to areas where hair is thickest. Avoid scrotum and anus of animals. To kill ticks, dab the ticks directly with the Super-Swat P.

Spray use for Dogs: Remove excess dirt and dust by brushing. Working from the rear toward the head of the animal, fluff hair with your hand or a brush and spray lightly until tips of hair are moist. Avoid scrotum and anus of animals. Do not soak hair or skin.
