FARNAM FLEA AND TICK NON-AEROSOL SPRAY does away with the oily residue and obnoxious odor of many standard sprays. The pump-spray bottle makes application easy and efficient. **FARNAM FLEA AND TICK NON-AEROSOL SPRAY** provides fast, effective control of fleas and ticks.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with water. Obtain medical attention if irritation persists. Remove birds and cover fish aquariums before spraying.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Hold bottle upright and point nozzle opening in desired direction of spray. From a distance of 3-12 inches, direct the spray over the animal until the entire coat is slightly damp. Fluff the hair so the spray penetrates to the skin. Do not spray into pet's eyes or face. Repeat as necessary.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.
